A GROWING NEWSPAPER IN A GROWING COMMUNITY

Volume 30, Number 49 | CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA | 10c per copy | Thurs., Nov. 26, 1953

NEW FREEWAY TERMINAL TO DIRECT TRAFFIC THIS WAY

Northern terminal for the $2,263,000 creekbed freeway through Los Gatos will be temporarily at Saratoga avenue east of the Santa Cruz highway, according to L. A. Weymouth, district engineer for the State Division of Highways.

Southern end of the new freeway strip will take off from the present Los Gatos-Santa Cruz Highway a half-mile south of Los Gatos and follow Los Gatos Creek channel through the town.

Eventually, the freeway will be continued northward, generally following the creek, to join the future Route 5 Freeway through San Jose.

Weymouth said the job now scheduled will include a certain amount of grading along the freeway route north of Saratoga Ave. as far as Roberts Road. But in this section the freeway will not be usable until a later phase of development is undertaken.

Some of the fill for the section south of Saratoga Ave. will be taken from this more northerly part of the right-of-way.

Weymouth said the Los Gatos Creek channel will be partially paved in the Los Gatos area, and water in the creek "confined" to permit development of the freeway.

Christmas Tree Is Planted At Rosemary School

Through the generosity of several local citizens, the Leonard Coates Nursery of San Jose, and through the efforts of Mrs. Anton Rosemary Home and School Club, Lobrovich, decoration chairman of the children of the school have caught "The Christmas Spirit" early this year.

The youngsters point with pride to the lovely Colorado Blue Spruce which this week has been planted in the front garden area, a living Christmas tree to be lighted and enjoyed this season and many more to come.

The removal of the large fifteen year old tree from North Central avenue garden of Mrs. Mary Triguiero, from whom the tree was purchased, to the Rosemary School, was a quickly accomplished engineer project.

Within an hour and a half, with the assistance of Mrs. Steven Lobrovich, Mrs. Hardy Norris, and Mrs. Pete Vles of Coates Nursery, and Mrs. Ray Johnson, Mrs. Joseph Lipari, and Mr. Peter Pacellero of Campbell Union School District, the tree was transplanted, and "Operation Christmas Tree" was successfully completed.

SPONSORS LISTED FOR ST. LUCY'S VARIETY SHOW

Early interest in "Lucian Varieties to be staged by St. Lucy's parish of Campbell, is indicated by the first announcement of patrons for the affair scheduled for Friday evening, December 18, in the University of Santa Clara Theatre.

Patrons who have already listed for the December show event are: Mr. and Mrs. C. W. Chapman, Mr. and Mrs. Ralph W. Dodd, Dr. and Mrs. Paul A. Werthmann, Mrs. B. J. Stojanovich, Mr. and Mrs. Dan Furtado, Mr. and Mrs. Robert Bogner, Mr. and Mrs. Jerry O'Brien, Mr. and Mrs. Edward M. Stojanovich, Mrs. Clare Puckett, Captain and Mrs. J. H. Sutton;

Mr. and Mrs. Lou Di Bona, Mr. and Mrs. M. J. McCulloch, Mrs. Antoinette Bascio, Dr. and Mrs. Edwin A. Oster, Mr. and Mrs. Jess Smith, Mr. and Mrs. Louis Bogner, Mrs. S. Voykovich, Mr. and Mrs. J. O. Souto, Mr. and Mrs. Ira Grim, Mr. and Mrs. Fred Smith, Mr. and Mrs. Arthur Wagner, Mr. and Mrs. Martin S. Walsh, Mr. and Mrs. Henry A. Weitzel;

Miss Mary Alice Grim, Mr. and Mrs. Floyd Wood, Mr. and Mrs. Joseph Gomes, Mr. and Mrs. Vladimir Fabris, Mr. and Mrs. Louis DeRose, Mr. and Mrs. Norman Corvello, Mr. and Mrs. J. Budd Levenberg, Mrs. Adah Levis, Dr. and Mrs. Thomas McNiff, Mr. and Mrs. Elmer Jones, Mr. and Mrs. John Serpa, Mr. and Mrs. Charles W. Frick;

Mr. and Mrs. Ralph Doetsch, Mr. and Mrs. Edward S. Romano, Mr. and Mrs. John M. Chargin, Mr. and Mrs. Victor Bahl, Mr. and Mrs. Patrick McNally, Mr. and Mrs. Robert H. Keifer, Mr. and Mrs. Anthony Scionti, Mr. and Mrs. William G. Clark, Mr. and Mrs. Ray W. Einberger, Mr. and Mrs. James P. Duggan, Mr. and Mrs. Richard Bowen, Mr. and Mrs. Richard D. O'Connor, Mr. and Mrs. Edward G. Kent.

Funds Approved For L.G. Section Of No. 5 Freeway

City planning consultant Nestor Barrett, and city engineer Mark E. Thomas met with J. W. Sinclair and Jess Black, design engineers for State division of Highways, Monday to discuss details of the structure to be built at the Hamilton avenue intersection of the proposed Route No. 5 freeway through Campbell. A report of their meeting was given at City Council Monday night.

That the city of Campbell will within three weeks receive from the state a freeway agreement involving the proposed Route 5 Freeway through Campbell, was the assurance given Monday to Nestor Barrett, city planning consultant and Mark E. Thomas E. Mark, city engineer for Campbell, following their conference with Jess Black, designing engineer for the state. The trio conferred regarding an access road on Hamilton avenue to the interchange on the freeway, and Black indicated that one of several alternatives will be included in the agreement, one of which was proposed by the city officials.

Present design indicates Route No. 5 freeway will go under Hamilton avenue, as a subway. The state suggests that the freeway cross Hamilton, on a bridge. City representatives, Barrett and Thomas argued for a 28-foot wide, four-lane below grade crossing at Hamilton avenue. Main reason for advocating the sub-grade crossing, according to city officials is to eliminate a traffic hazard for school children attending Hamilton School. An access road from a bridge crossing of the freeway at Hamilton would pour heavy traffic into the area fronting the school area.

Approval of $2,263,000 during the next fiscal year by the State Highway Commission in Sacramento, Thursday, for extension of the Santa Cruz Freeway through Los Gatos will not only change the appearance of the town of Los Gatos, but will affect changes in Campbell also.

The freeway, the first section of Route 5 to be built in this area, will extend through Los Gatos, by way of the Los Gatos Creek bed, starting half a mile south of Los Gatos, through town along the creek bed, and will emerge on the other side of Robert's road.

It will eliminate the last piece of three-lane highway just south of Los Gatos.

The Santa Cruz freeway is to be extended through San Jose to meet the Eastshore Freeway coming down from Oakland, near Gish Road, eventually. Funds have not been appropriated for the Campbell section of the freeway, according to Booker.

The Campbell section of the proposed Route Five freeway, ultimate termini of which are Santa Cruz and a hookup with Highway 99 north of Tracy, California, will roughly parallel the Los Gatos Creek Bed, between San Jose-Los Gatos Road and Winchester road. It will cross the Los Gato creek at a point approximately 400 feet east of the Campbell avenue bridge.

Approval of the Santa Cruz extension was made known, as the state unveiled plans for a record breaking 1954-55 highway budget of $300,000,000.

The record budget is largely an outgrowth of the additional $75,000,000 the state expects to get from the one and one half cent a gallon gasoline tax voted this year by the state legislature.

The $2,263,000 appropriated for the Los Gatos section of the Santa Cruz freeway extension is for construction costs only of 2.4 miles of freeway.

BUSINESS WOMEN TO HOLD MEET ON EQUAL RIGHTS BILL

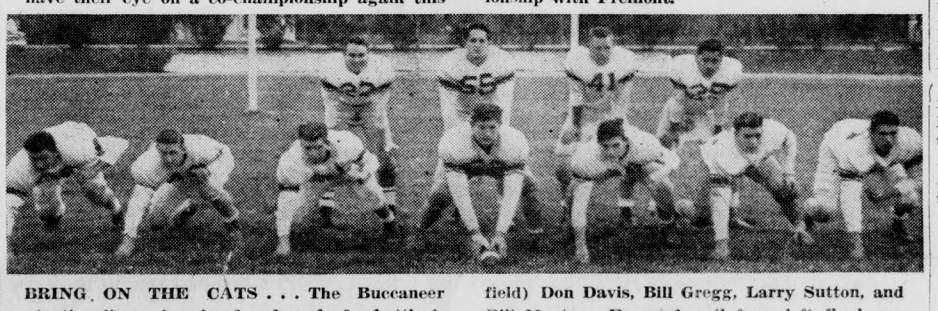
Campbell Business and Professional Women's Club will hold a special business meeting Monday November 30 at 7:30 p. m. in the home of Mrs. Alma Fanning, 110 El Patio.

High lights of this meeting will be a panel discussion on the Equal Rights Amendment bill.

The Christmas doll is now on display at the Blue Bell Cafe and tickets are available from all members. Proceeds to be used to give some needy Campbell family a happier Christmas.

Bucs Battle Cats For Title Honors

READY TO ROLL . . . Buccaneer backs, Dick Carter (RH), Larry Sutton (QB), Bill Montero (LH), and Bill Gregg (F) churn up the turf in a practice run on the Campbell High field. It will be the real thing, Thanksgiving morning, when Campbell High meets Los Gatos High School at 11 a. m. in the traditional "little big game" to end the present season.. The Bucs have their eye on a co-championship again this year with Fremont High School. Coach Jim Muir's team has had a good season with four wins, no losses and one tie. It will be the third time in the 13 years of cross-country rivalry that a championship has been at stake for the Campbell squad, and the second year in a row, that a win over Los Gatos will mean a co-championship with Fremont.



BRING ON THE CATS . . . The Buccaneer starting lineup is primed and ready for battle in the 11 a. m. Turkey day classic on the Buc field against Los Gatos High School.

Ready to face the Cat gridders are (backfield) Don Davis, Bill Gregg, Larry Sutton, and Bill Montero. Forward wall from left flank are Russ Camilleri, Gary Lukehart, Ted Bohn, Ron Webb, Olon Forrest, Rich Calloway, and Tony Schraub.

CUHS GRID STAFF . . . Campbell coaches, Junior Morgan, former San Jose State football and basketball luminary, head coach Jim Muir, former University of California helfback under "Pappy" Waldorf, Ken Duddridge, Santa Barbara State grad and a letterman in football and other sports, new to Campbell High this year, and Mel Stein, San Jose State graduate, a former basketball and football lettermen, have their eye on a win over Los Gatos Thanksgiving morning; and a co-championship with Fremont, for SCVAL grid honors.

BUCS TRY FOR SCVAL CO-TITLE IN TURKEY DAY GRID CLASSIC WITH LOS GATOS WILDCATS HERE

What happened at Stanford Stadium Saturday, could happen here tomorrow, when Campbell Union High School Bucaneers and the Los Gatos Wildcats clash here at 11 a. m. in the traditional Thanksgiving day "little big game."

Stanford was figured to have a three touchdown potential against any club they had to face during the season. Cal, too, was figured to be good for at least three. The score could have been, according to the experts, 21-0 in favor of Stanford, or 21-0 in favor of Cal, or 21-21, which happened to be the case. The tie game blocked Stanford's chances for the Rose Bowl.

With as much enthusiasm, though on a smaller scale, Campbell football field is expected to be filled to capacity Thursday when the cross-county high school rivals battle in the traditional end-season game. A co-championship with Fremont High School awaits a Buc victory. A moral as well as actual victory is due the Cats if they can keep their rivals from sharing the Santa Clara Valley Athletic crown.

Campbell, like Stanford University has had a good season. They have won four, lost none and tied one. Campbell will battel for a co-championship. Los Gatos, somewhat like California, has blown hot and cold all season and has a 1-3-1 record. Los Gatos wants to win THE game of the year.

But as in the Palo Alto scrap, both clubs start from scratch, in this biggest of all games for both squads.

The game will marks Campbell's third bid for the valley title. The local high school won its first crown in 1944 with a 25-13 victory when the Bucs scored their biggest triumph, with Billy Wilson (now first string end with the San Francisco's 49'ers) doing the pass catching.

Campbell's second best year happened last year when they took the Cats 18-6 to clinch a co-championship with Fremont High School.

Campbell this year, has a powerful running attack, an adequate air offense and one of the strongest defensive set-ups in the Santa Clara Valley League. Los Gatos, has one of the weakest defenses in the SCVAL as proven by the number of points scored on them during the season.

Los Gatos has scored 13 times in five games for an average of two and a half touchdowns a game. Campbell has tallied 17 times in five games for an average of two and a half td's.

With both teams at full strength, with good weather, with both teams operating at full potential, with both teams primed mentally, and barring all unpredictables, Campbell has the edge. 20-13?

Lions Club Hosts Area Civic Clubs At Dinner, Tuesday

Campbell Lions Club was host at the annual Tri Club dinner meeting of Campbell service clubs, Tuesday at which Colonel Fred W. Buechner, as principal speaker, addressed the group on "Kohua Imua."

The Lions honored their ladies at a dinner meeting held in the Country Women's Clubrooms November 10th. Art Jacobsen was program chairman and Harold Shumway was in charge of decorations.

A most enjoyable program of music was given during the dinner hour by the string section of the Campbell High School Orchestra under the direction of Richard Gordon, Campbell High School music director.

(Continued on Page Four)

PET HOSPITAL MUST COMPLY WITH PLANS OR LOSE PERMIT

Before the county building inspector can give final approval to a building in Campbell, city officials will determine if it has conformed with plat plans and specifications as filed with the application, according to action taken last night by the city council. The specific reference was that of the pet hospital on the San Jose-Los Gatos road being set up by Dr. J. A. Weldon, whose building now under construction assertedly is not acording to architectural plans.

Dr. Weldon, who was present, stated an intent to meet the request as far as is practical, after Mayor Richard W. Morton proposed the permittee either comply with specifications in the application, or have the permit revoked. This was tentatively set as future policy.

Another building at the end of Railroad avenue and Central was started without a building permit, and having living quarters over a garage. Council directed a zone conformity use be followed in granting the permit and owner was reported willing to comply.

An agreement as presented by the State Division of Highways agrees to the maintenance of highway 5, the San Jose-Los Gatos highway, and to share the costs with the city for lighting, signals, crosswalks and other requisites. Nestor Barrett, planning consultant, reported also that he and City Engineer Mark Thomas had met with Jess Black of the State Division of Highways regarding an approach from Hamilton avenue to the proposed new Freeway, and that an agreement may be expected from the state within the next fifteen days.

Plans for two new subdivisions were submitted for preliminary consideration, one from Louis Smith for land along Central avenue from Hamilton to David and the other from Stone and Shulte near the Santa Clara-Los Gatos highway toward Old Orchard Way. Council deemd it advisable that applicants assert how storm waters are to disposed of, and the use of wells. It was pointed out that a policy previously established called for a deposit of $150 per lot or an alternative of providing the facilities for disposing of storm waters, before a subdivision permit is granted by the city, and this would apply to areas seeking annexation.

The city agreed to the printing of an additional 1000 copies of the zoning ordinance with the master zoning map, on white book paper, with space provided for amendments as may be approved at later dates. Copies of this are to be sold to pay for the printing and publishing costs in a similar manner to what other cities have done.

STATE REVIEWING GRADE CROSSING PROBLEM IN AREA

Improved protective facilities at railroad grade crossings throughout California are being considered by the California Public Utilities Commission following public hearings in San Francisco and Los Angeles.

A $500,000 appropriation by the Legislature makes possible a speed-up in the Commission's program of many years to reduce hazards at grade crossings throughout the state. The Commission is authorized to make allocations from the fund to cities and counties up to one half of their share of costs for installation of protective devices.

Recommendations for improved warning signals or automatic gates at scores of crossings throughout the state were made during the two days of hearings by the Transportation Division staff of the Commission, and by more than 100 representatives of cities, counties, railroads, and the Brotherhood of Locomotive Engineers.

When the Commission has studied the evidence submitted at the hearings it will issue an order setting forth the procedure for cities and counties to follow in making application for allocations from the $500,000 fund.

BILL ENOCHS BAGS LARGEST DEER IN SPECIAL HUNT

Bill Enochs, Chamber of Commerce secretary and city auditor, brought back the largest buck in a special hunting season in the O'Neal district near Elko, Nevada, Monday of this week.

The 250 pound-seven pointer was one of 9 bagged in a day and a half of hunting by Enochs and a party of eight friends from San Jose and other areas. Other bucks brought back included, beside the seven-pointer, one with six points one with four, a five-pointer, four with four points and two which had four on one side and three on the other.

Enochs said the Fish and Game Commissioner told him that 300 licenses had been issued for the special hunt which opened Friday, November 20 and which closes November 30. Approximately 300 hunters were in the area, Enochs said the commissioner estimated. Largest head size bagged by a hunter from San Luis Obispo was a 12 pointer.

Enochs said he dropped his buck in knee-deep snow from 600 yards, using his home-made 30.06 combination Springfield-Enfield rifle.

Enochs said all the deer killed were brought down with long range shots in the high, snow-packed country.

Wayne Buck Attends Washington University

Approximately 11,000 students have been enrolled in day and evening divisions of Washington University for the current semester, university officials announced recently.

Among those students registered in the day division is Wayne Oliver Buck, 60 South 3rd street, who is a junior in the School of Medicine.

QUITO PARK POSTAL ROUTE CANTRACT LET

Ronald Avery is the successful bidder for Contract Station No. 1 serving the Quito Park area from the Saratoga postoffice according to word from the U. S. Postal Department.

18,011 Voters Qualify For CUHS Bond Election

Voters of the Campbell Union High School district will go to the polls Tuesday to approve or reject a $2,500,000 bond issue to construct a second high school in the district on a 48-acres site at the intersection of Camden and Union avenues in the Cambrian Park area.

Registrar of voters, Eber Tarleton, said today 18,011 regitration cards had been mailed to eligible voters in the district. A two-thirds vote is necessary to carry the election.

Voters of the district in 1950 approved, 5-1, a $950,000 bond proposal to purchase the site on which the new plant is proposed to be built. Vote then was 2820 for the proposal and 440 against.

Polls will be open in the twelve precincts within the district from 7 a. m. to 8 p. m. Polling places are: Luther Burbank School, 1791 West San Carlos Street, San Jose; Cambrian School, 481 East Casey Road, Campbell; Campbell Union Hight School, One West Campbell Avenue; Cypress School, 403 South Cypress avenue, San Jose; El Quito Park School, Bucknall Road and Paseo Presada, Saratoga; Hamilton School, 336 East Hamilton avenue, Campbell; Moorpark School, 649 Thornton Way, San Jose; Moreland School, Payne and Saratoga Roads, San Jose; Parker School, Union Avenue, Los Gatos; Quito School, 500 Quito Road, Campbell; San Tomas School, 1106 Allendale Avenue; Union School, Los Gatos, Almaden Road, Los Gatos.

EDITORIAL

CHRISTMAS IN CAMPBELL

The elaborate plans for city-wide Christmas decorations including a display of tinselled yule greetings over the main streets have by now been reluctantly curtailed in Campbell through restrictions set up by the utility companies. Money for the project was not a deterring factor in this decision as the committee in charge had a sufficient sum. The city had agreed to give $300 toward the cost of the decorations and the merchants would pay for the remaining balance.

There was enthusiasm toward the undertaking and plenty of volunteer labor through the service clubs, private citizens and the municipal government.

The power company agreed to limit the use of their installations by posting a complicated list of reservations, each pole being segregated with restrictions.

It would have been distressing if the spirit had cooled at this point, but the group then considered use of the spacious lawn fronting the Campbell Union High School as an alternative. It would be appropriately lighted and decorated as a central focal point. Laurence J. Hill, high school superintendent expects now to see the cooperation of shop instructors in designing a Christmas exhibit which will be unique and attractive. It will get away from the fixed pattern followed by so many cities and we may come up with a Santa Claus Lane which will tie the district closer together. That will be a wonderful accomplishment and one well worth working for.

IMPROVING UTILITIES

Voters go to the polls soon to decide bond issues in the Campbell district calling for more schools and facilities that will be modern in every respect. The Christmas committee has been doing all that it can for the 1953 season. There certainly is a general feeling toward modern utilities in all school, civic and business places. The same feeling applies to the business thoroughfares.

In this respect, the power poles along the business streets are none too attractive with their criss-cross of wires. The utility companies, in view of the other civic improvements, might well consider making what ever improvements are possible. Buried cable is of course the best system with feeder lines from rear lots. This is a costly plan and a difficult one in a built up area. By Chritmas in 1954 if some effort is made by the utility companies to improve facilities so that street decorations will not have so many restrictions, the merchants and the city will be grateful for these efforts.

VOTE AS YOU PLEASE, BUT VOTE!

Next Tuesday the voters of the Campbell Union High School will go to the polls to decide a two and a half million dollar bond issue to build a branch high school in Cambrian Park, buy an additional school site and make necessary improvements at the central school. All of this is called on because of enrollment increases now at capacity for the present facilities, and for known potential increases in the next five years based on grade school increases.

It is important that a big vote turn out for this election. Some may feel that this is a large sum, for schools, although it is pointed out that the high school tax rate in Campbell will remain the lowest of any in the county even if the issue carries. Whether you are for the issue or against it, vote and express your sentiment. It is your democratic privilege, so use it.

THANKSGIVING

Thanksgiving is not merely a day or a season of the year; it's an attitude which we shall do well to cultivate every day of the year.

The spirit of thankfulness is a simple, but very vital, thing. Acknowledging our benefits and blessings enables us to become aware of, and receive, more. Gratitude is like the open hand — ready to give and ready to receive. The closed hand indicates a closed mind, closed to the infinite possibilities of good while it clings fearfully to its possessions.

Sometimes it isn't easy to feel thankful, especially when our trials and troubles seem to mount while our benefits appear to dwindle. But as individuals and as a nation we are fortunate, indeed. Ours is a land of abundance, of fertile fields, rich mines and vast forests. But even more, ours is a nation blessed with imagination, initiative and daring that have made possible the building and maintaining of great cities and factories and farms from which our unprecedented productiveness and high standard of living are derived.

This Thanksgiving we can be even more thankful than usual for the end of the fighting in Korea. Although still separated from some of our loved ones, we know, at least, that they are not sitting out Thanksgiving in a foxhole while enemy shells drop around them.

Today, as in the time when the first Thanksgiving was celebrated, there are many dangers, many uncertainties. But if we, like the Pilgrims, let thankfulness for the past give us courage for the future, we shall meet and master every problem.

The Campbell Gambol

YELLOWING LEAVES with a tinge of red give a glow to the peach and apricot orchards which fringe the town as the upward pointing limbs remain after pruning is over with . . . smoke in the depths of the acreage means dry limbs are being burned . . . a maple tree in the 200 block on Central avenue has a coloring which only nature can paint . . . . cherry tree leaves seem to wiggle in the breeze and hang on succulently to branches waiting for the final chill to send sap to the roots in orchards out the Arroyo Seco way . . . steam from the freshly plowed fields follow the rain and the early morning sun out the far reaches of Rincon Avenue toward San Tomas and hundreds of ring-necked pheasants parade about in their brilliantly feathered dress in pens at a ranch along the side of the road . . . night time and the full moon comes dancing out of the horizon unveiling a curtain of milky clouds as it seems to smile as if in a Thanksgiving greeting for all of Nature's bountiful work in the heart of this Santa Clara Valley.

FIRST ISSUE of the Campbell Press on June 7, 1895 stated that . . . some one has proposed changing the name of Campbell, and they might as well talk about changing the name of America, as Campbell has come to stay . . . . narrow gauge railroad was built here in 1880 and by 1885 the population had so increased that a postoffice was located at the Benjamin Campbell residence, with the name Campbell Station identifying it . . . shortly afterwards station was dropped from the name and Campbell became known far and near as a thriving village . . . Mr. Campbell planned to keep the rougher element from settling here by making it nearly impossible for a saloon to be started, and the deed restriction answered this purpose until at least the first issue of the Press . . . it reported further that Campbell then had a good school system, two churches, a Y. M. C. A.., a public library and numerous other advantages for the intellectual and spiritual advancement of the people . . . . pictures show the Campbell School, the J. C. Ainsley cannery, Central and Campbell avenues.

NOT MUCH has been overlooked in the zoning ordinance which the city is about to adopt, and horse-and-buggy owners might be pleased to know that it will be

Aged Residents Are Laid To Rest

Two Campbell residents passed away last week, Stephen Breschini, 81, who resided with his son Jack, at 17960 Los Olivos Drive for the past three years died in a San Jose hospital November 16. He had been a vegetable picker most of his life. He was the husband of the late Meta Breschini. He was the father of Domingo Breschini of Salinas, Harold Breschini of Richmond, Jack Breschini of Saratoga, Mrs. Elma Hamilton and Mrs. Madeline Franzoni, both of San Francisco. He was a native of Salinas. Rutherford Funeral Home was in charge of local arrangements.

Walter Phillips, 81, formerly a resident of a rest home on Gilman avenue died Sunday in a San Jose hospital. He was a native of Illinoios. Funeral services are pending at the Rutherford Funeral Home.

FIRST BEE FARM TO BE DEDICATED SOON

California Beekeepers will open a three-day conference at San Jose on Sunday, December 1 at which time a historical marker will be erected on the site where bees were first reared in the west. Once a farm near San Jose, the site is now a part of the San Jose city airport.

Apiculturist John E. Eckert, Associate Apiculturists Harry H. Laidlaw, Jr., both from the University's Davis campus, and Kern County Farm Advisor Vernon E. Burton will take part in the program that will mark the centennial anniversary of the introduction of beekeeping in California.

The program will also include talks on hive hoists, marketing problems, honey house standards, and the future of pollination practices in production of legume seed by outstanding California beekeepers and others connected with the industry.

Polio Virus Isolated

The human polio virus has been isolated and identified directly for the first time, in research at the Berkeley campus of the University of California supported by the National Foundation for Infantile Paralysis.

The 1952 American tuna canning industry produced a record high of 9,239,275 cases.

CHRISTMAS SEALS BRING IN $11,500

Ending the first week of the 47th annual Christmas Seal Sale with a total return of $11,509.78, the Santa Clara County Tuberculosis Association reports that returns are ahead of the same period last year.

Urging all residents to make prompt and generous return for Christma Seals received in the mail on Monday, November 16, local chairman Mrs. Andrew Lassen stated that funds raised in the '53 Seal Sale will be used for next year's program of TB prevention.

Projects for the new year, chairman Lassen stated will include continuance of the county wide free chest screening service offered to all residents through the Christmas Seal Chestmobile. In addition, funds will pay for installation of a second chest screening X-ray unit for patients admitted to general hospitals, with the hope that in the not too distant future, all hospitals in the county will have this type of chest screening service. In the patient group, chairman pointed out, is found the highest number of unsuspected cases of TB as well as other chest diseases.

Christmas Seal Sale funds will pay for needed research to help find better ways of controlling TB; education, and improvement and expansion of services to patients wrerever needed.

To Install New Officers Saturday

Campbell Chapter No. 553, Order of the Eastern Star will hold its tenth installation of officers on Saturday evening, November 28, 1953 at 8:30 P. M. in the Campbell Grammar School Cafetorium on Third Street, Campbell, when Mr. and Mrs. Donald F. Hartman will be installed as Worthy Matron and Worthy Patron.

BARBERSHOP QUARTETS TO CONVENE IN SAN JOSE

A whole mess of barbershop quartets will meet in San Jose on April 16 and 17 in a regional contest coming from Arizona, Utah, Nevada, Hawaii as well as California. There will be about 800 contestants at the meet.

LETTERS TO THE EDITOR

Opinions expressed in this department do not necessarily reflect the editorial policy of this newspaper.

Going along our roads one sees so very much garbage. Beer cans, even whole cases of Coca Cola bottles and all kinds of junk dumped everywhere. This is not only unsightly and disgusting but also unsanitary and fly breeding, bound to breed rodents and other vermin.

We pride ourselves with washing machines, vacuum cleaners, air conditioners, soap and washing detergents.

One would think we are clean and sanitary; then we see filth scattered all over. It contaminates the air we breathe but do nothing about it.

There must be something that can be done to stop this, to wake up the citizens to this disgusting nuisance.

Has anyone any suggestions how to stop this? The Orchard City Grange Community Service Committee would like to hear some suggestions and let's get behind this and clean up, not only in our home but our surrounding roads.

Sincerely yours,
Robert Wurfer Sr.
Chairman, Grange Community Service Co.

There are 13,000 railroad crossings in California.

Martin Jensen is still hale and hearty at 96. He lives in San Raphael.

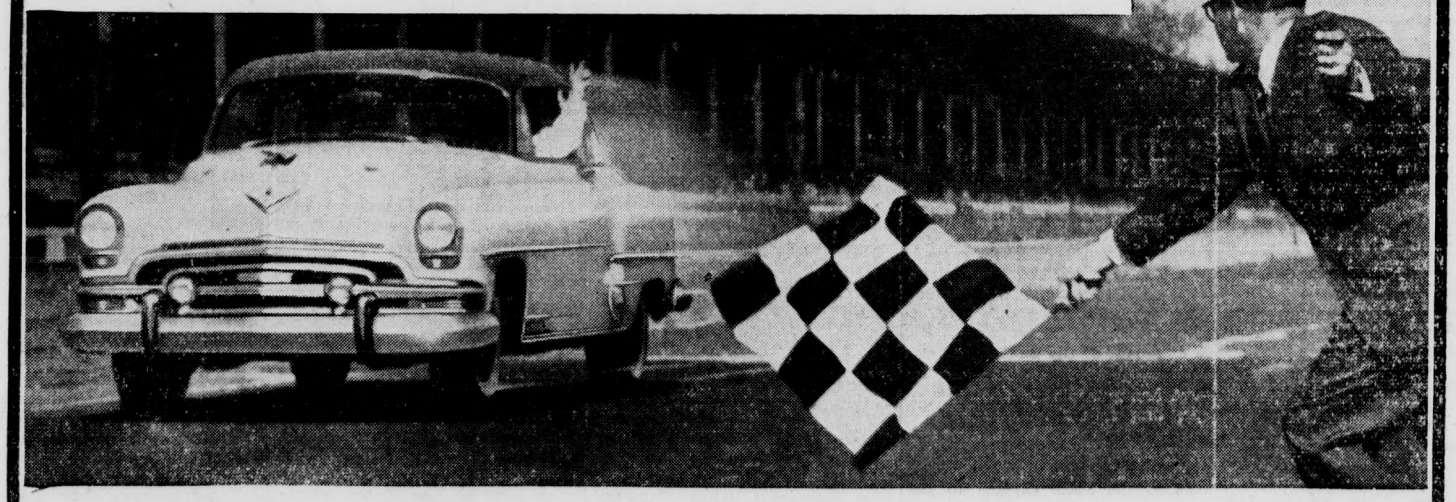
He entered San Jose State College on his return from Denmark, after which he entered the construction business. He has been active as a contractor and builder in this area, in Palo Alto, San Francisco and other points of the west coast.

In 1930 he married the former Marian Austin of Campbell. The couple have one daughter, the present Mrs. Jean Jensen La Mar.

In 1950 he was appointed building inspector for Campbell Union High School, a job he occupied during the construction of the present high school in 1935-36.

Jensen is associated with the Cupertino Masons, Scottish Rite Temple of San Jose, Santa Clara Valley Shrine Club, and Islam Temple of San Francisco.

'54 CHRYSLER WINS "GREATEST STOCK-CAR TEST IN THE WORLD!"



Above you see Chrysler smashing the all-time 24-hour endurance record at Indianapolis to win the Stevens Trophy! An incredible performance! 2,157 miles in 24 hours 'round the clock over the toughest hard-top track in the world! Here is thrilling proof of the stamina, durability, and safety of the new '54 Chrysler. Its **235-h.p.** FirePower V-8 engine and **PowerFlite** fully-automatic transmission far out-performed all other cars in the history of this event! And set the amazing new record without any replacement of engine parts! Now mind you, this was no special car! Selected from regular production models by AAA officials, this is the beautiful Chrysler now on display! This is the same record-breaking performer we invite you to come drive! And what an experience for you! You'll feel the one and only **235-h.p.** performance! Performance that says you drive the leader. You'll see new beauty inside and out that tells the world you drive the leader! Come drive the '54 Chrysler yourself for the most exciting and memorable experience of your motoring lifetime!

COME DRIVE THE CAR THAT DID IT! The power of leadership is *yours* in a beautiful **'54 CHRYSLER**

Campbell Register

Campbell has a new doctor—a pediatrician. Dr. and Mrs. William Bucher recently moved into their Cypress Avenue home from New York, where the doctor has been head resident, in the peditaric division of the University of Rochester Medical school hospital at Rochester, New York.

Dr. Bucher is now active in the Well Baby Clinic of the County Health Department. They have three children, Sharon, 5, Katrina, 3½, William, 1½, are are expecting a brand new arrival today. "If it's a boy, and I think it will be", Mrs. Bucher said, "He will weigh 7 pounds, 14 ounces, and his name will be Patrick Fitzgerald Bucher, after his uncle, a wounded Korean veteran."

Dr. David W. Brewer and Dr. Wyland Morgan of Campbell were among the hundreds of dentists at the alumni association for the College of Physicians and Surgeons of San Francisco held at tending the 55th annual meeting of San Francisco recently.

Mrs. MARS LAMPE and her two daughters, MARY and CINDY, Mrs. BEULAH PHILLIPS and Mrs. JOHN LAMPE all from East St. Louis, Illinois, have been visiting with Mr. and Mrs. W. L. CLEVELAND of 71 East Rincon avenue for the past three weeks. Mrs. Phillips and Mrs. John Lampe also visited in Los Angeles with Miss Stella Martin for a few days. Mrs. Phillips is a sister of Mrs. Cleveland. This marks her first visit to California.

Mrs. George and Air Force staff sergeant Sartin and daughter left this week for Boldgrande, Florida to visit his mother.

From there they will go to Limestone, Maine, to make their home at his military station.

Mrs. Sartin is the daughter of Mr. and Mrs. J. N. Nixon former residents of this community. Mrs. Sartin was the former Betty Nix-

Enjoying the traditional "turkey and trimmings" at the DEAN CHAMBERLINS' will be Mr. and Mrs. THOMAS NICHOLLS, Mr. and Mrs. Mervyn Nicholls and the James Nicholls of Morgan Hill.

Mr. and Mrs. HARVEY WOODS of Stockton and the NEWTON WOODE of Larkspur will observe Thanksgiving day at the home of Newtons and Harvey's parents, Mr. and Mrs. RAY WOODS of Rincon avenue.

Jane Anne Pavley Gives Vows

Miss Jane Anne Pavley and John Richard Walters Jr., recited marriage vows recently in an afternoon double ring ceremony in Grace Baptist church with Rev. Henry J. Croes officiating.

Jane was escorted to the white chrysanthemum appointed altar by her stepfather, William H. Seaman. She wore a white satin ballerina length gown, featuring long pointed sleeves, V neckline and fitted bodice. A bandeau studded with seed pearls secured her shoulder length veil. She wore a single strand of pearls, a gift of the bridegroom. Her bridal bouquet was composed of white orchide and bouvardia.

Miss Ethel Oeser, serving as maid of honor, was attired in a purple taffeta gown with matching half hat. Mrs. LeRoy Sutherland, matron of honor, was gowned in lavender taffeta with matching bandeau hat. Bridemaid Miss Nalaine Flynn wore an orchid taffeta gown with matching half hat and all bridal attendants carried cascade bouquets of orchid pink chrysanthemums.

Attending the groom as best man was his brother-in-law, Raymond White. Ushers were Thomas Dodson and James Talbert.

Wedding selections were sung by Ruth Courtney, accompanied by organist, Mrs. Nettie S. Rich.

Mrs. William H. Seaman selected a mauve faille satin costume suit with matching hat and black velvet accessories for her daughters wedding.

Mrs. John Richard Walters Sr., mother of the benedict donned a changeable purple silk costume with pale pink accessories. Both mothers pinned on orchid corsages.

The Social Hall of Grace Baptist Church was the locale of the wedding reception held immediately after the ceremonies. The couple cut a five-tiered cake at the bridal table, beautifully appointed with white chrysanthemums, ivy, and white candles.

For her Carmel wedding trip, the bride wore a blue suit with navy and white accessories. She pinned on a white orchid corsage.

The bride, daughter of Mrs. William H. Seaman and Peter M. Pavley, attended Campbell Union High School. She is affiliated with Delta Theta Tau, Epsilon Rho Chapter.

John, the benedict, is the son of Mr. and Mrs. John Richard Walters Sr., of Los Gatos, and also attended Campbell High and Sacramento Junior College. He is affiliated with the Los Gatos Chapter of DeMolay and Alpha Tau Omega Fraternity. The bridegroom is now serving with the Air Force and will later be stationed in England where the couple will make their home.

Area Churches To Observe Thanksgiving

The American tradition of Thanksgiving will be observed by many churches in the area. The final in a series on Religious Living, "Have You Seen Action" will be conducted by Rev. Ernest Tremayne of the Cambrian Park Methodist Church at his regular Sunday services Nov. 29.

"Oh Come Let Us Give Thanks" will be the topic of Rev. Herbert Neale's sermon, Thanksgiving morning from 9:30 to 10:20.

The senior and youth choir of the Methodist church will sing Kresmer's "Netherland Thanksgiving Folk Song".

Rev. Neale states that his service will end in time for the congregation to attend the Campbell-Los Gatos football game.

A Thanksgiving service "Gratitude For Our Blessings" was conducted by Rev. Corwin H. Olds of the Congregational Church Sunday, Nov. 22.

A processional of 1st and 2nd graders followed the presentation of "Prayer of Thanksgiving" by the Congregational choir.

Exports through the San Francisco Customs District in 1952 to Israel and Palestine were valued at $2,170,324.

Service Club Entertained By Mrs. McCall

Circle One of the Women's Society of Christian Service met at the home of Mrs. Effie McCal on Budd avene, November 18th to formulate plans for the WSCS bazaar to be held December 3rd in the Methodist church.

Mrs. A. D. Rice served as cohostess at the meeting and devotions were led by Mrs. Guy Farley.

A complete and interesting book review on "The Spanish Speaking People Within Rud Borders" was presented by Mrs. G. L. York.

Quito PTA Meet

The Quito Elementary School PTA met Tuesday, November 17 at 2 p. m. in the school cafetorium for a business meeting with Mrs. Thomas L. Stevenson presiding. Reports were given by Mrs. Herb Raymond, parliamentarian on parliamentary procedure and Mrs. Louise Carpen, school nurse, on the health program of the Quito school this year.

Mrs. Z. D. Tennison was ratified as the library chairman of the newly formed educational library for teachers and parents.

Cambrian Club Illustrates Ideas For Party-Giving

Ideas for simple home entertaining at home were demonstrated by Mrs. Fred Starbuck and Mrs. Bernard Bowling, project leaders, at the regular meeting of the Cambrian Home Extension Group Thursday, November 19.

Inexpensive table settings for buffet type service, recipes, and sample of attractive low cost party foods were among the items discused and illustrated.

Group chairman, Mrs. John White, announced a special toy-making workshop for all interested, for Monday, November 23, from 10 a. m. to 12 noon at the Cambrian School barracks. Mrs. Glen Daniels, Cambrian Family Life chairman, and Mrs. James Goble, County Family Life chairman, will conduct the workshop. Further infromation, chairmen said, could be obtained from Mrs. White at FRanklin 8-5573.

Bar Starts Research

Work on the first major research project ever to be undertaken by the American Bar Association has begun at the School of Law on the Berkeley campus of the University of California.

Profile of The Week

This column attempts to acquaint Campbell residents with the background of most of its leading citizens, to make for a greater interest in the activities of the Campbell area.

Pictures from the files of the Campbell Press will be drawn, by lot, for the first of the articles. When this supply is exhausted, pictures of newer residents will be taken, to run in conjunction with stories.

Oliver P. Jensen, Campbell Union High School building inspector and city councilman comes from a long line of long-lived relations. He recently reached the half-century mark himself, which he terms the half-way mark as he looks forward to many more years of service to the school and community.

Born in 1903 in Alameda, the first son of a family of three brothers, Jensen has lived in the Campbell area since 1912 when his family settled on a ranch in the Cupertino area.

He attended the old Lincoln Grammar School, at the intersection of Prospect Road and Saratoga-Mountain View Road.

Following his graduation from Campbell High School in 1923, Jensen went to Denmark to help celebrate his grandparents' 60th wedding anniversary. His father permissable to have a porte-cochere over a driveway in the side yard so long as the structure is not more than one story high and twenty-four feet in length, not closer than two feet from the side of the lot line and is entirely open on at least three sides except for the necessary supporting columns and customary architectural features . . . the porte cochere was once an important feature of the estates, hotels and places where horse-drawn vehicles drew up with guests, being defined by Webster as a, "large gateway allowing room for vehicles to drive into a courtyard" . . . . the carport has given way to it today in a way but for those who fancy old dobbin drawing a surrey with a fringe on top, it will be quite alright to provide a porte cochere . . . trouble will be though as to where to stable him once the guests have arrived. . . T. H. Martin who for many years has operated a blacksmith shop on Railroad avenue doesn't do much with horses any more as there are not many of them around and, besides, an itinerant blacksmith comes around to take care of the shoe work on the ground so the horses won't have to be moved across busy thoroughfares. . . says also that the porte cochere was quite a thing in the old days but doesn't know of any of them left around Campbell now. Martin Jensen is still hale and hearty at 96. He lives in San Raphael.

He entered San Jose State College on his return from Denmark, after which he entered the construction business. He has been active as a contractor and builder in this area, in Palo Alto, San Francisco and other points of the west coast.

In 1930 he married the former Marian Austin of Campbell. The couple have one daughter, the present Mrs. Jean Jensen La Mar.

In 1950 he was appointed building inspector for Campbell Union High School, a job he occupied during the construction of the present high school in 1935-36.

Jensen is associated with the Cupertino Masons, Scottish Rite Temple of San Jose, Santa Clara Valley Shrine Club, and Islam Temple of San Francisco.

DR. ROBT. GORDON SPROUL, pres. U. C.—"At California we want students playing at athletics, not athletes playing at being students."

Campbell Sailor Works At World's Largest Station

When secrecy covering America's newest defense weapon—the most powerful radio transmitter in existence— was lifted last week, the Campbell parents of a U. S. Navy man revealed that their son has just been assigned to duty at the globe girdling station.

U. S. Navy radioman third class, Reginald Gazay Jr., 24, son of Mr. and Mrs. Reginald Gazay of 225 Esther avenue, last week told his parents he had been assigned to the world's largest wireless transmitter, which, in the event of another world war could flash instant commands to its forces wherever they are deployed.

Gazay was a behind the scenes operator last week, when messages were received from all points on the earth's surface and from ships at sea in every part of the world, to prove the claims made for station NLK, "Radio Jim Creek".

In the initial test of the 1, 200,-000 watt, 14-million dollar transmitter Wednesday, a battleship off Japan acknowledge the message, and a submarine boring through the waters of the northeast Atlantic, received the signal from the station. There were other messages from far off places including Africa and the Philippines acknowledged loud, clear receipt of the signals, according to reporters at the station.

Gazay, whose specific work at the transmitter is classified information according to his parents, was present at a formal opening ceremony with Adm. Robert B. Carney, chief of Naval operation and Gen. David Sarnoff, chairman of the board of RCA as principal participants.

Radio Jim Creek was built by Radio Corporation of American for the Navy as a wireless telegraph station, but it was revealed this week, the huge transmitter can be converted to a voice broadcast station should the United States sometime want to add a stentorian tone to the Voice of America directed to people behind the Iron Curtain.

Gazay, the Campbell man now working at the powerful installation is a Campbell grammar and high school graduate. He attended San Mateo Junior College and San Jose State before entering the service. While at Campbell High he was a member of the football and basketball teams in the years 1946, 47 and 48. He was also a member of the San Jose State freshman football team.

His sister Judy 11, attends Campbell Grammar School. His brother, Stanley Gazay, 20, attended Campbell High School, and is now a member of the National Guard. His father, Stanley Sr., is a foreman at Hunt's Cannery.

Before being assigned to the station, Gazay was a radioman on a Navy transport carrying troops to Japan and Korea from the United States. He has been in the Navy Reserves for the past four years. He entered active service in January 17, 1951.

2200 New Homes Near Milpitas Are Planned

Two major land developments are contemplated for the Milpitas area which will provide for 2200 new homes. The Earl W. Smith Co. of Berkeley has a lay out for 1800 low cost homes fronting on Calaveras Road east of Dempsey Road, while the San Lorenzo Home Co. plans a 400-home devedopment on the Oakland highway near the Dixon Landing Road. The Smith project would be on the 400 acres now under option from the Alex Coelho estate. Planning commission approval of plans are necessary.

GOV. GOODWIN J. KNIGHT—"There is an especial place in hell for those who, confronted with a real moral issue, insist on remaining neutral."

POSTMASTER GIVES HINTS FOR YULE MAIL

Campbell Postmaster, Ira Grim, anticipating the usual heavy volume of Christmas mailing at the local postoffice, said today that early mailing would result in better postal service if postoffice instructions are followed.

Grim listed the following mailing hints for Campbell area residents to insure prompt, safe delivery of Christmas mail.

Mail should be separated into bundles, those of local delivery and those for aut of town.

Bundles should be tied (using twine both ways) and a label indicating whether for local or out of town delivery should be placed on top of each bundle.

Printed labels for "local delivery" and for "Out of Town" delivery are available free at the Campbell Postoffice, according to the postmaster.

Grim said the Campbell postoffice will be closed and no deliveries will be made on Christmas Day.

For better mailing service, the postmaster urges all Campbell residents to shop now, wrap carefully, address plainly, and mail early.

CAMPBELL REGISTER

George Newton Megown Jr., 7, son of Mr. and Mrs. G. N. Megown of 183 North Central avenue is confined to his home with measles.

One of the two original navel orange trees improted from Bahia, Brazil, by the U. S. Department of Agriculture in 1870, is in Riverside.

Purpose of the Tripartite Treaty among the United States, Canada and Japan is to establish a North Pacific Fisheries Commission to study and recommend means by which the fshery resources may be conserved on a sustainde-yield basis.

The American Telephone and Telegraph Company was organized February 28, 1885.

TEACHERS ATTEND INSTITUTE AT S. J.

Hundreds of teachers from Campbell schools are attending the three day institute at San Jose which opened Monday. Dr. O. S. Hubbard, county superintendent of schools and Mrs. W. E. Johnson, president of the sixth district PTA, extended greetings on the opening day. Dr. Frederick Peters delivered one of the key addreses on, "Who Holds the Keys to Peace and War".

Problems of anti-social children were taken up Tuesday at a joint session in the auditorium of elementary and secondary teachers by Dr. Douglas M. Kelley, University of California professor of criminology. Dr. Kelley, who during World War II as chief consulting psychologist of the European Theater examined the minds of leading German war criminals, now teaches psychiatric aspects of criminology at UC. He is presently engaged in research in psychiatric methods of police interrogation and lie detection.

Concluding institute session Wednesday afternoon in the auditorium include the showing of the film, "One God." Religious leaders in various denominations will comprise a panel following the film.

Elementary School Principals Association luncheon was held Monday in Franklin-McKinley School on Tully Road. Dr. William R. Rogers, associate professor of education, SJSC spoke on "Promotion Policies."

Santa Clara County unit of California Association of Health, Physical Education and Recreation held a luncheon Tuesday in Hotel De Anza, with Dr. George D. Spindler of Stanford University as speaker.

CHRISTIAN SCIENCE SUNDAY

The Lesson-Sermon on the subject "Ancient and Modern Necromancy alias Mesmerism and Hypnotism Denounced" will be read in Christian Science Society, Campbell, Country Women's Club House,) Sunday, November 29. It will be comprised of citations from the Bible and from the Christian Science textbook "Science and Health with Key to the Scripture" by Mary Baker Eddy.

By Allen F. Mather
(Executive Secretary, Agricultural Council of California)

PUBLIC POWER

President Eisenhower recently licensed a private company to construct a power dam on Idaho's Snake River. His decision probably will stand as a milestone of his adminstration for it not only saved for the tax collector a lush source of revenue, it also reversed a 20-year trend of public ownership of power facilities.

For two decades prior to the President's action, we lived under a policy of "public" ownership which produced a ruinous effect on certain of our taxable assets without compensating benefit to the public.

SERVICE

That is an easily demonstrated fact, yet the very guise under which the Government built its power lines was "public benefaction".

That the private companies, in the main, lived through the era is due simply to the service they rendered the Nation. Nothing else saved them.

Look at their record. Forced into competition with their Government and battling steady inflation, these private concerns still lowered their prices. In 1940 the average cost of electricity to the domestic consumer was 3.84 cents per kilowatt. In 1952 it was 2.77 cents—a reduction of 28 percent.

Certainlp it is an exemplary record.

NO RETURN

In 1930 the Federal Government owned less htan one percent of the Nation's total generating power. Today it owns 12 percent and before the construction program the Republican adminitration inherited is completed more than 25 percent of our total capacity will be "publicly "owned.

Since the first federal power line was strung, more than $10 billion in taxpayers' money has gone into these projects.

The return on this $10 billion of tax money has been practically nil. In the last fiscal year, for instance, these "public" benefactors paid next to nothing: about $5 million in lieu of taxes to state and local agencies.

WHAT DIRECT BENEFITS?

Nor does the argument hold that there are certain "direct" benefits from "public" power, meaning lower costs to the consumer.

Except when the Government strings its lines in direct competition with private enterprise and takes advantage of its own tax-exempt status, the privately owned power companies lick them hands down both in service and in costs.

The recent decision by the U. S. Bureau of Reclamation to relinquish its claimed right to develop hydro-electric power on the Kings River is another heartening event.

The only discordant note here is the fact that were it not for litigation caused by the Bureau of Reclamation, P. G. & E.—licensee under the Federal Power Commision's decision—would already be delivering power from its $80 million development.

Recently, the recommendation has been made to sell or lease publicly owned power plants to private companies wherever this is feasible. It is to be hoped that this suggestion is not rejected simply on political or idealogical grounds.

Each project should be carefully examined to determine the desirability of transferring it to private ownership or control. Where it appears that economics dictates such a course, it should be done.

SAN JOSE CHURCHES IN UNITED CRUSADE

Dr. E. Stanley Jones, world-renowned missionary and evangelits, has accepted an invitation to speak in San Jose, on Sunday, Nov. 29, at 7:30 p. m., in the First Methodist Church. The meeting is in the interest of developing a closer unity among our Christian Churches. Forty cities will sponsor meetings this fall as part of the Crusade for a United Church. Gilmore Erichson, Chairman of Special Meetings for the San Jose Ara Council of Churches, is in charge of arranging the meeting.

The topic of Dr. Jones' address will be, "An Adventure in Faith—The United Church of America." Dr. Jones will speak out of his forty-five years of experience as missionary and evangelistic work at home and throughout the world with a view to pointing up the steps that need to be taken to enable Christianity to exert a greater impact upon the life of our times.

There is wide interest in the speaker and in his subject. Dr. Jones is known to millions of Americans through his books, several of which are best sellers. He is famous for his work in India and has been called to the missionary fields in every corner of the globe. According to an evaluation by Hartzell Spence in the Saturday Evening Post, "He is considered by many to be one of the greatest Protestant missionaries of all time."

Cambrian District Organizes to Aid CUHS Bond Drive

One of the mot successful programs in the Campbell High School Recreation District is being operated at Cambrian under the guidance of Walter "Bud" Owen. At least one big feature activity a month is planned with the Saturdays in between filled with playground activities of all kinds. Recent events have included a dance, skating party, trip to Stanford to see a football game, a playday and a masquerade ball.

All events are the result of planning by the teen-age Recreation Committee consisting of one boy and one girl from each sixth, seventh and eighth grade at Cambrian.

The sixteen committee members have elected the following officers: Freddie Helmbold, president; Judy Sheeder, secretary; Eddie Ford, treasurer. The committee meets each Thursday with Mr. Owen as advisor, and plans future activities. That their plans are well laid is proven by an attendance of over 90 at the Masquerade ball, with prizes given for the best costumes. A recent playday brought out over 120 to take part in various playground events.

Newcomers

Mr. and Mrs. G. N. McGown, 183 North Central are the proud grandparents of a baby girl, born to Mr. and Mrs. Robert H. Bruce, 1653 Fremont Street, Santa Clara. This is their second child. The little miss came on Octobed 3,—all six pound, 14 ounces—and was named Denise Loreen. The McGown's have another granddaughter, Paula Jean, born to Mr. and Mrs. Joseph Roman, of 964 Moorpark St., San Jose, November 7. Paula Jean weighed seven pounds, four and one half ounces at birth.

Evergreen School Bonds Carry While Oak Grove's Lose

Voters in the Evergreen district voted 3 to 1 Friday for a $200,000 school bond issue and an application for up to $400,000 from the state, but the Oak Grove district rejected its proposed $102,999 bond issue. A two thirds vote was necessary for the issues to carry.

First Services For New Church In Quito Park Sunday

The new United Presbyterian Church, at the corner of Cox avenue and Paseo Presada in Quito Park will have its first worship services Sunday, November 29, 1953. The first day's services will include Sunday School at 9:45, Morning Worship at 11:00, a special Dedication service at 3:00 p. m. and the Youth Fellowship at 6:30.

Authorization for this new church came from the Northern California Council of Churches in the name of United Protestantism in November 1951. Construction of the two units, a Sunday School Building and a Sanctuary, began in July of this year. The units include adequate rooms for Sunday School, a Sanctuary for worship, and a kitchen for fellowship meetings. The church site consists of three acres, and a parking lot which will accommodate thirty-one cars is to be constructed in the very near future.

Rev. Donald W. Jolly, the minister of this new church, has been in the Saratoga area since July after having been released from the Navy Chaplaincy. He extends an invitation to all residents of this area to share in the fellowship anl worship of the church. The parsonage is located near the church at 18708 Pasea Lado.

Financing for this church has come from the Board of American Missions of the United Presbyterian Church.

Gas Pedal Pushed Instead Of Brake Window Smashed

"Here lies the body of Jonathan Blake. He stepped on the gas instead of the brake."

The name would have been changed, but the humorous, yet tragic epitaph might have applied to a 19-year old Campbell girl, Saturday afternoon at 5 p. m. when she drove her automobile through the plate glass window of Cambrian restaurant at Cambrian corners.

She explained to investigating officer Frank Edwards of the California Highway Patrol, "I stepped on the gas instead of the brake."

The front end of her car was damaged, Cambrian restaurant's plate glass window was destroyed, and feelings were ruffled, but no one was injured.

Miss Rodriques lives at Route No. One, Box 174, San Jose-Los Gatos Road, Campbell.

In another minor traffic accident, Campbell police Chief Robert J. Locke, investigated a collision at the Hamilton avenue intersection of the San Jose-Los Gatos Road, Monday morning at 7 a. m.

Slight damage was reported to vehicles driven by Jess Beltram, Box 14850, National avenue, Los Gatos, and Albert Thomas Larson of 1584 Husted Avenue, San Jose Both drivers are 32 years old.

LIONS CLUB HOSTS AREA CIVIC CLUBS

continued from page 1

Paul Walsh, plant superintendent of Fiber Glass Company, was the speaker of the evening.

He explained the various processes necessary to manufacture the products of the Santa Clara plant. He showed samples of yarns and materials that are produced in other plants from fiber glass processes. His talk was most informative and very much enjoyed, members said.

At a short business meeting presided over by President George French, three new members were presented with their membership scrolls from international headquarters. These new members were Morris Bennett, Leonard Campbell and Ray Gilpatrick.

Reports were given by various chairmen now in charge of club projects. Jack Arends reported on the progress of the trash can project for the down town area. Leonard Campbell reported on the plans for the Christmas party. Doug Beatty announced the dance to be held December 5th at the Gun Club. The proceeds of this dance will be used for the Christmas baskets. All Lions and their friends are most cordially invited. A committee consisting of Howard McLin, Morris Bennett. Leonard Campbell, and Ted Solari was appointed to plan the next Ladies Night on January 26th.

Circulation Club End Drawing Near

The time will not be long until the close of The Campbell Press Circulation Club, so all workers should get every subscription possible the last three remaining weeks of the contest.

The largest remaining bonus vote offer is in force this week and closes, Monday, Nov. 30 at 5 P. M.

There will be ten bonus vote ballots, the first 250,000 bonus, second, 225,000 bonus votes, third, 200,000 bonus, fourth 175,000 bonus, fifth, 150,000 bonus, sixth 125,000, seventh, 100,000 bonus, eighth, 75,000 bonus, ninth, 60,000 bonus, and tenth, 50,000 bonus votes.

All subscribers who pay their subscriptions to the members of the Press Circulation Club will be entitled to a free portrait of some one in the family but if they wish to get it by Christmas it must be made by the first of December.

The free portraits will be made at the Bona Ventura portrait Studio, 219 East Campbell Avenue, Campbell.

All Club members who do not turn in some subscriptions by November 30, at 5 P. M. will be dropped from the list. This is done in order to release subscriptions which have been promised candidates but which have not been called for. This is fair to other workers and to the Press.

Miss Hancie Naylor of Campbell is still holding the lead, with Mrs. Romaine Baker, and Miss Pat Taylor both of Cambrian, second and third.

Mrs. Wanda Ray and Mrs. Louis Brandon of Campbell are fourth and fifth, with only a few votes between them and the leader.

Mrs. Carl Olsen has made a large gain in votes as have Mrs. Josephine Biller, Miss Betsy Simmons and Tom Mitchell.

The standings are given to 5 P. M. Monday, November 23, 1953.

Cub Pack Thirty Enjoys 'Pot-luck'

Sponsored by the Den Mothers, Pack 30 enjoyed a bountiful pot-luck dinner on Friday evening, November 20, 1953 at San Tomas School. The monthly Pack Meeting followed the dinner with the introduction of Mr. Ted Cutting, the new Cubmaster, and a new assistant Cubmaster, Mr. Larry Cunha highlighting a thoroughly enjoyable meet.

The Cubs prepared a Thanksgiving basket for some needy family and in the true spirit of this holiday also worked at varied tasks about their home and with the money thus earned will buy a turkey to complete this Thanksgiving offering to some of our needy.

Rodger Miller was graduated from Cub Scouts into Boy Scouting in a simple ceremony in which ne was presented with his Webolos award and accepted into Troop 30 by Scoutmaster Ken Wilson.

Other awards to Cubs: Wolf Rank to Philip Neujahr, Larry Pirvul, Brian Wilson, and Jerry Cunha; Bear Rank to Dennis Browne; Lion Rank to Tommy Balgooyen. Earning Gold Arrows were Philip Neujahr, Larry Pirvul, David Seeley, Dennis Browne, Jimmy Botelho, Jimmy Tolosano, and Brian Wilson. Earning Silver Arrows were Dennis Browne, Jimmy Tolosano, Larry Pirvul, Edward Greeson, Dennis Crawford. 2 Year Pins were presented to Jimmy Standish, Ronnie Oburn, Tommy Balgooyen, Tommy Wight, Timmy Noble and Mike Hartman. Promoted to Assistant Denner was Dennis Browne and to Denner was Jimmy Botelho.

It was announced that a special award would be made to Kenny Orr who is in the hospital and who was to have been presented with a Gold Arrow and a Silver Star. Mr. Ted Balgooyen led the boys through some intricate but highly amusing action songs and the meeting was closed with graduating Rodger Miller leading the Pack in solemn salute and oath of allegiance.

Tonight this two headed cat will be one of the many balloon characters featured in a parade in downtown San Jose, along with the "Cisco Kid", favorite kiddie TV hero who is acting as honorary Grand Marshall for the event, which is under auspices of Hales and the Junior Chamber of Commerce.

STRIPED BASS TAG RETURN BRINGS AWARD TO ANGLER

SAN FRANCISCO—For the return of a striped bass tag, Angler John Medinos of San Leandro has been awarded a five-horsepower outboard motor in the latest drawing conducted by the Bethel Island Rod and Gun Club.

Medinos was one of 120 California striper fishermen who returned tags to the department of Fish and Game this year.

Anglers who catch tagged stripers in the next 12 months and return the tag with information concerning place, time and weight of catch, will be eligible for the 1954 Rod and Gun Club prize. Each will receive an official commendation card from the State agency.

Needles, cone and timber of the easter hemlock have been found in America's early geological strata.

Keyesville, in Kern County, was named for Richard Keyes, who discovered quartz gold there in 1853.

Pheasant Hunting Good In Valley

SACRAMENTO—In the midst of one of the best pheasant hunting seasons in recent years, the California Department of Fish and Game has issued a request to rinneck hunters:

Turn in all metal bands found on the legs of pheasants so that the cumulative information will help provide better future hunting.

The numbered metal bands may be turned over to a field employee of the Department or mailed to the Sacramento office at 926 Jay Street.

NOVICE BOXING TOURNEY AT SAN JOSE NEXT WEEK

The seventeenth annual San Jose State Novice boxing tournament is to be held in the college gymnasium December 2-4 with one of the best schedules of recent years. Four lettermen, Dick Bender, Allen White, Joe Rodriquez and Victor Harris are entered in heavier brackets.

ABC's Of Driving

SACRAMENTO — Now comes the time for the ABC's.

The ABC's in this instance, according to the California Highway Patrol, represent Accident Behavior Checks.

"November and December are the most dangerous traffic accident months of the year. This, then, is the logical time for all motorists to check their accident behavior rules," B. R. Caldwell, Patrol Commissioner, stated today.

"We don't want anyone to have an accident but it is most important that they know what to do if they are involved," he commented. "All too often collisions fall into the category of hit-and-run and many of thes are due to a lack of understanding of the law rather than a deliberate act.

"Any motorist involved in a collision resulting in death, personal injury or property damage of any kind, must stop and give his name, address, license number and the name of the owner of the car to the other drivers involved. Upon request he must exhibit his operator's or chauffer's license and in the event of injury must also render reasonable aid and inform enforcement officers," Caldwell reminded.

"Any injury accident must be reported in writing within 24 hours to the local police if the accident occurs within a city, or to the California Highway Patrol if it happens on a rural highway.

"Failure to stop and meet these requirements can result in imprisonment up to five years or a fine up to $5,000.00 or both for any death or injury collision, or imprisonment up to six months or fine up to $500.00 or both for any accident with property damage only," Caldwell emphasized.

"All drivers must remember that the above requirements are in addition to the provisions of the Financial Responsibility Law which make it necessary to report to the Department of Motor Vehicles any accident resulting in death or injury, or any accident with property damage in excess of $100.00. This repore must be made within fifteen days," he declared.

The San Francisco Public Library has a file of the "Call" and the "Examiner" dating from 1877.

It costs approximately $17,000 per bed to construct and equip a modern hospital.

Cisco Kid Rides In Balloon Parade At San Jose Tonight

Over 150,000 persons are expected to line San Jose's downtown streets 7:30 P. M. Tuesday, November 24, to witness the 6th annual Christmas Balloon Parade co-sponsored by Hale's and San Jose Jr. Chamber of Commerce. According to Robert Morgan, Jaycee Chairman and Larry Ward of Hale's, the two hour long procession features over 25 oversized fictional characters in balloon form towed along by some 130 Boy Scouts plus many local marching units.

Heading the colorful pagentry will be Honorary Grand Marshall Duncan Renaldo, best known to millions as "The Cisco Kid". Prior to parade starting time a queen is to be chosen from the hundreds of prospective "Alices" expected to turn out for judging. "Queen Alice" is slated to head that portion of the parade devoted to Lewis Carroll's "Alice in Wonderland."

The largest of all balloons is the "Flying Carpet", a 100 footlong spectacle comprising carpet with Alladin and lamp, Ali-Baba with money jars and the beautiful Fatima.

Rev. E. Tremayne To Host Party

Rev. E. Tremayne, assisted by Mr. Burt Prater was host to a Thanksgiving party for adults of the Cambrian Park Methodist Church, Saturday, Nov. 21st, at the Cambrian Church.

Patricia Tremayne and Astrid Prater, president of the WSCS directer the evening affair. In addition to the recreation program and refreshments, a business meeting was held to formulate plans for the monthly "All Church Party".

Plans for the membership campaign to be held have been announced by Mr. Galen Thompson.

Members of the Cambrian Park Methodist Church visited prospective members in a membership campaign last week, inviting them to join the church, the captains being Mrs. Leo Sarter, Miss Rolene Eichman, Arthur Thompson and Stan Aguilar.

The campaign opened Sunday, November 22nd with a potluck dinner, followed by an instruction period led by Rev. Herbert Neale of the Campbell Methodist Church.

This campaign is conducted in an effort to deepen religious life in the community.

'Pioneer Theme' Carried Out By Eastern Star Outgoing Officers

The "Pionerr" theme was carried out by the Campbell Chapter No. 553 Order of the Eastern Star when the outgoing Worthy Matron and Worthy Patron, Mrs. Cora W. Kaufmann and F. Wilbur Mitchell were honored on their Farewell Meeting on Friday evening, November 20, 1953. The hall and banquet rooms were attractively decorated with wagon wheels, miniature covered wagons, antiques, and a beautiful hand painting, by Mrs. George Hatlen, of a pioneer covered wagon scene adorned the East.

Deputy Grand Matron of the Grand Chapter, State of California, Order of the Eastern Star, Mrs. Alec Matthews, was escorted and presented to the members of the Chapter.

Other honored guests were Worthy Matrons: Mrs. Luther Jones, Starlight Chapter, Mrs. Adelaid Hagenson, Fraternity, Mrs. Peter Horn Los Gatos, Mrs. Earl D'Arataies, Menlo Park, and Worthy Patrons: Jack Bond, Los Gatos, Sidney Lawrence, Menlo Park, Luther Jones, Starlight and Eugene L. Hartley, Fraternity.

New affiliates received during the meeting were Mrs. Willis Rockefellow and Mrs. Anna Kellogg.

First time visitors welcomed by the officers and members were Mr. and Mrs. Fred F. Wheeler of Hartford, Ohio, and Mr. and Mrs. Ferd Prince of San Carlos.

An impressive ceremony for the signing of the Bible by the Worthy Matron, Cora W. Kaufmann, and Worthy Patron, F. Wilbur Mitchell, was conducted by Mrs. Arthur Aker and other past matrons and patrons.

At the close of Chapter, a pioneer skit arranged and read by Mrs. Rex Fuller included solos by Mrs. Ray Martin and Mrs. Earl Buck,— pianist Mrs. George Hatlen and actors Mr. and Mrs. Fred Johnson, Mr. and Mrs. Harold Adams, Mr. and Mrs. Don Hartman, Mr. and Mrs. Carl Stearns, Mr. and Mrs. Wilfred Peterson, Mrs. L. W. Strickler, Mrs. Herbert Parker.

The presentation of gifts from the officers to Mrs. Kaufmann and Mr. Mitchell was made by the "Star Points" Mrs. L. H. Strick-Brasch and Mr. and Mrs. E. B. ler, Mrs. Harold Adams, Mrs. Wm. E. Schluter, Mrs. Emil Biller and Mrs. Carl Stearns.

Willis Dahl, Miss Carolyn Hall, Eddie Abner, and Dale Dixon, known as the "Golden Westerners", presented several delightful numbers and the program ended with all members singing "Auld Lang Syne".

The committee in charge of the gala event included Mrs. Rex Fuller, program, Mrs. L. H. Strickler, decorations, and Mrs. F. Wilbur Mitchell, dining room, assisted by Mrs. George Tutt, Mr. and Mrs. Claud Barham, Hazel Henderson, Mrs. Wm. E. Schluter, Mrs. Har-Emil Biller, Mrs. George Hatlen, Mr. and Mrs. Frank Coombs, Mrs. old Adams, Mrs. Arthur Robinson,, Janet Coombs.

CAMBRIAN CLUB PRESENTS MEMORIAL GIFT

Cambrian Home and School Club gave a clock for use in the Cambrian Youth Center as a memorial to the late William T. Hennessey, Jr., who was known for his youth work and affection for young people. Mrs. E. Nelson made the presentation and Miss Carmel La-Wolfe, vice-principal of Cambrian school accepted it. The glee club offered two approprate numbers, "Green Cathedral" and "Morning on The Holy Hill".

Special guests for this memorial included Mrs. Clarks and Mrs. Dan Jackson, mother and sister of William Hennessey.

Dean Chamberlin, freshman coordinator for Campbell High spoke on the coming bond election while Miss Anderson, the school nurse told of the school's health program. After voting to repeat their annual Christmas bazaar, Mrs. Donald Lantz was appointed general chairman and Mrs. W. Cloyd as co-chairman.

A demonstration of the remedial reading machine was conducted by Mrs. Hellen Talley, Mrs. Violet Pomeroy and Al Handby, teachers at Cambrian school. The Home and School Club voted to pay for the machine.

Piercing Twin Peaks in San Francisco is the longest surface-line tunnel devoted to rapid transportation in this country.

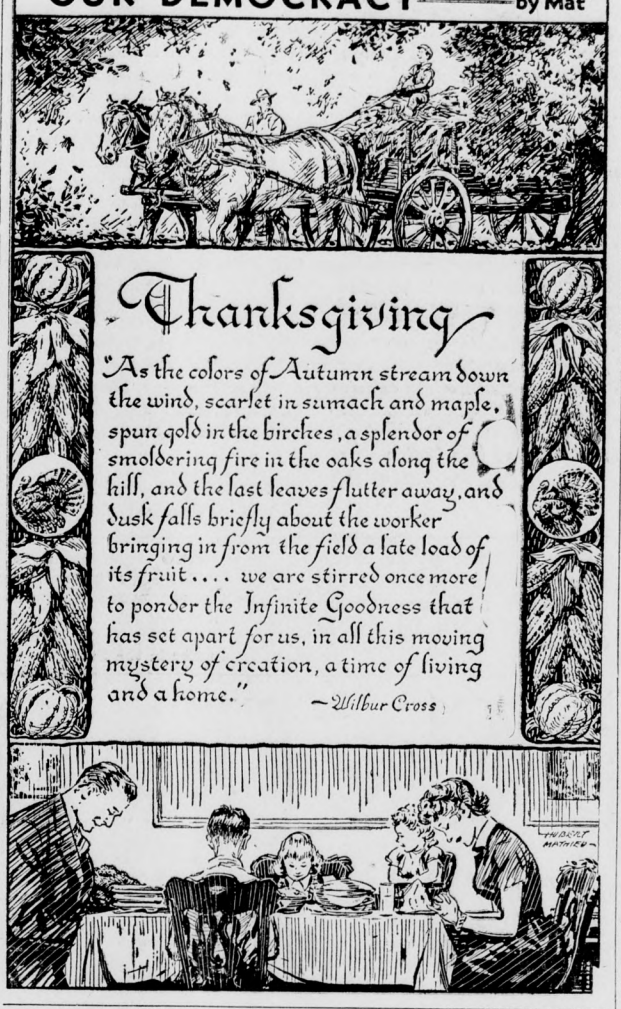
ST. LUCY'S WOMEN PLAN CARD PARTY

On this Friday, November 27th, the day after Thanksgiving, St. Lucy's women's club will hold its regular monthly card party at the Library Hall at 2 p. m.

There will be prizes and refreshments and the public is cordially invited, club spokesmen said.

Hostesses in charge are Mrs. Ambrose Metcalf, Mrs. Felice Robba, Mrs. Louis De Rose, and Mrs. Elizabeth Gilson.

OUR DEMOCRACY — by Mat



Thanksgiving
"As the colors of Autumn stream down the wind, scarlet in sumach and maple, spun gold in the birches, a splendor of smoldering fire in the oaks along the hill, and the last leaves flutter away, and dusk falls briefly about the worker bringing in from the field a late load of its fruit .... we are stirred once more to ponder the Infinite Goodness that has set apart for us, in all this moving mystery of creation, a time of living and a home."
—Wilbur Cross

NIELSENS TRAVEL TO DENMARK FOR MOTHER'S FUNERAL

On a 10-day flying trip to Copenhagen, Denmark, to attend the funeral of their 74-year old mother, Louise, November 19, Hans and Ras Nielsen, popular foremen at Hunt's Foods Cannery, stopped in seven different countries.

Leaving San Francisco, November 6, the brothers landed first in Chicago and then New York on the tail end of heavy weather that had been buffeting the East Coast.

From New York, the Nielsen's enplaned for Newfoundland where they started the longest leg of their journey, a seven and one half hour flight over the Atlantic to Preswick, Scotland. Next stop was Hamburg, Germany. Destination was Copenhagen, Denmark and to the family residence at Blovstroed.

On the return trp, due to heavy winds and extra loads, their plane set down at Oslow, Norway, Goetborg, Sweden, and at Shannon, Ireland.

A newspaper clipping in the Blovstroed County newspaper which Hans Nielsen translated related how the pastor of the village church and one of the 12 Nielsen brothers, delayed the funeral to await the arrival of the sons from America. The newspaper article recounted the many wreaths and floral offerings given by their many friends, 150 of whom were in attendance at the funeral.

Health And Welfare Commision To Divide

Reorganization rules establishing separate branches of the Santa Clara County Health and Welfore Commission are being drafted for consideration at a meeting Dec. 10.

The revision would provide separate committees on health and welfare. The proposal will be submitted to County Counsel Howard Campen to see if it conforms to county charter provisions, according to A. A. Dempsey, commission chairman.

Waters of San Francisco Bay reached the present corner of Montgomery and Clay Streets in 1846.

CANTELL GUILTY OF ASSAULT HERE, FINED 50 DOLLARS

Albert Cantell, 24, of 651 McGlincey Lane was fined $50, by Justice Court Judge Paul W. Crawford Thursday, on a charge of battery, to which he pleaded guilty.

Cantell was arrested November 30, 1952, for violating a Campbell ordinance which prohibits being drunk and disorderly about an automobile. Campbell officer Louis Doolittle, who made the arrest also filed a battery charge against Cantell for using force and violence in resisting arrest.

A speeding and reckless driving charge against Cantell's wife, Shirley, 19, was dismissed, Thursday.

According to a report filed by Officer Doolittle after the arrest, Cantell's car, driven by his wife nearly collided with the Campbell police car at 4 a. m., on Winchester road, Sunday, November 30, 1952.

Cantell allegedly failed to stop for the police car's red light and sped toward McGlincey Lane where the car reportedly struck a fence post on the James' property at 181 Casey road.

An argument and scuffle assertedly ensued during the course of which two tear gas shells were discharged. Cantell was taken into custody by the Sheriff's Office.

In another court action Thursday, Roger Kerr, 23, of Hedding Street, San Jose, pleaded guilty to a charge of reckless driving. He was fined $200, his driver's license was suspended for 30 days, and he was placed on a 90-day probationary period.

Church Services On Thanksgiving

A Thanksgiving service will be held on Thursday, November 26, in all Christian Science churches in the United States. A cordial welcome is extended to the public.

The Discoverer and Founder of Christian Science, Mary Baker Eddy, provided for the Thanksgiving Day service to be held in Christian Science churches and designed the order to be followed. The Thanksgiving Day Proclamation and also a short special Lesson-Sermon prepared for the day, will be included in the service.

Time also is provided for spontaneous expressions of gratitude from Christian Scientists in the congregation. They tell of many blessings received through Christian Science, among them healings of discord, disease and lack.

The spirit of this Thanksgiving service is expresed in the Golden Text from Revelation:

"Blessing, and glory, and wisdom, and thanksgiving, and honour, and power, and might, be unto our God for ever and ever" (7:12).

Old Fort Scott in San Francisco was designed after Fort Sumter with 36-foot thick walls.

Joe Carlentine Is Baker Trainee

CAMP LEJEUNE, N. C. (FHT-NC)—Attending the bakers course at the Food Service School here is Marine Pfc. Joseph Carlentine, son of Mr. and Mrs. Sam Carlentine of 25 S. Winchester rd., Campbell, Calif.

Before entering the Marine Corps in March, 1953, he attended Campbell Union High School.

SERVICE NOTES

Corporal William West, son of Mr. and Mrs. M. D. West, 773 Salerno Drive, recently returned to his Korean duties following a 10-day rest period in Tokio, Japan. Corporal West, a Campbell Union High School graduate has been with the 17th Infantry Regiment in Korea since last March.

Marine Corps Private First Class Richard E. Countryman, son of Mrs. Leona Scott, 240B So. San Jose and Los Gatos Road, and Mr. B. L. Countryman, 73 Birch Lane, is currently undergong advanced individual combat training at Camp Pendleton, Calif.

Countryman joined the Marine Corps on July 20, 1953 and underwent basic training at San Diego, prior to being stationed at Camp Pendleton. Upon completion of his present training he will be sent overseas for duty in the far east.

PFC Countryman is a former student of Campbell Union High School.

W.S.C.S. Plan Annual Bazaar

The annual bazarr to be held by the Woman's Society of Christian Service of the Campbell Methodist church will be presented December 3rd from 1 to 5 p. m. in the church social hall.

A tea room and booths will be gaily decorated in a Latin-America motif, carrying out the theme of the WSCS study plan for the current year, Church Work Among Spanish Speaking Americans.

Mrs. James Barnett, chairman of the day, will be assisted by Mrs. Charles Bradley, who will be in charge of the plant and bulb booth; Miss Winnie Grizzle, white elephant booth; Mrs. Merlin Bohnett, home baked foods; Mrs. Dean Chamberlin, handwork and aprons; Mrs. Kurt Ritter, homemade candies; Mrs. George Reynolds, country store and baby booth; Miss Ruby Howes, chairman of the tea room.

CAMPBELL HAS 82 ENROLLED AT SAN JOSE STATE

There are 82 students from Campbell attending San Jose State College. Fall quarter enrollment is more than 7100 as the college begins its 96 th year.

The 82 Campbell students are: Charles Amazeen, Howard Allen, Thomas Barton, Trent Barton, Donald Bianucci, John W. Brown, Richard Brown, Michael J. Brusin, Donald E. Cudney, Joseph Campbell, Chas. Cutting, Vera E. Diehl, Richard G. Dahms, Robert E. Dalxell, Jackie Davis, Helene De Lauder Frances Duncan, Janice DeReschke, Marion Detrick, David R. Doerr, Shirley Ann Lonardo, Ronald W. Eddlemon, Joyce Falker, Harold Fairchild, Jean Gomes, Hazel W. Garcelon, Richard Faulkner, Winifred Gomes, Don Gerevas, Robert Graham, George Grant, Richard Gleed, Ray Geisick, Virginia L. Ramp, Jack Sadler, Gloria Sala, Robert Saia, Paul Sakamoto, Renaldo Salvador, Mardel Sanders, Elaine Saro, Chas. Saustrom, James Savage, Roger Schaefle, Carol Schrader, Gayle Schrader, Gill Schroper, Yvonne Shlart, Harold Shumway, Masary Urata, Yoshio Uyedt, R. Van Rossem, Roy Wagner.

Noble Grands Honor Mrs. R. Crawley

A Thanksgiving theme prevailed for the recent meeting of the Past Noble Grands as they met at the home of Mrs. J. H. Bachman on Harrion avenue, with Mrs. Fred Jones serving as cohostess.

The evening meet was highlighted by a "stork shower" honoring Mrs: Robert Crawley.

The next meeting will be a Christmas party at the Rhine residence on North Second street. Mrs. Jack Chappel, hostess, will be assisted by Mrs. L. McNealey.

State Meeting Of Garden Clubs

A car caravan of seventeen members of Campbell Garden Club left Campbell the morning of November 19th to attend the annual District 4, California Garden Clubs, Inc. district meeting held in the Oakland Auditorium Theatre.

Those in attendance were Mesdames Herbert Binley, Lloyd Brown, John Cantoni, A. M. Drake, Robert Dunn, Howard Keech, George Kolze, Anthony Leal, G. K. Schrader, Fred Seymour, Charles Smith, Martin Walsh, Roy Burnett, Roy Sindel, Ole Tranberg, Robert Miller and Minica Parr.

Hostesses for the meeting were members of the Hillside Gardeners of Montclair in Oakland. Both morning and afternoon sessions were spent amidst an aray of colorful and elaborate Christmas season decorations. Mrs. Lester Phelps of Oakland headed the committee in cooperation with the Oakland Park Department. The "Holiday Decorations Program" consisted How to use old Christmas cards, of Art-in-Action, gift wrapping, tree decorations, driftwood, wreaths, mobiles, candles and many other ideas with new materials. Special feature for the afternoon was a preentation by Podesto Baldocchi florists of flower arrangements of many different shapes, sizes and containers.

Many ideas were formulated to be carried out at the Campbell Garden Club's Christmas Tea which will be held Wednesday afternoon, December 2nd.

PROCLAMATION

Thanksgiving Day is truly an American tradition—an occasion for all of us to reflect upon blessings we enjoy as Americans and to reaffirm our faith in the Heavenly Father upon whose guidance we depend for our continued well-being.

Let us be guided in our observance by the example of the Pilgrims, who on the first Thanksgiving gave thanks to God for guiding them through a perilous winter and making their harvest a bountiful one. Like the Pilgrims, we are enjoying the fruits of abundant production, both in the harvest of our fields and in the flow of goods from our factories, and it is most appropriate for us to recognize the Thanksgiving Season as a time for prayer in our homes and our churches.

We have reason this year to be especially thankful for the fact that the terrible fighting in Korea has come to an end. Let us hope and pray that temporary peace in that embattled land can be translated, through cooperation among Nations, into an honorable and lasting peace throughout the World.

In the interest of giving widespread emphasis to the spiritual principals underlying this important observance, I, Goodwin J. Knight, Governor of California, do hereby proclaim Thursday, November 26, 1953, as THANKSGIVING DAY in California, and I urge all the people of our State to join in giving thanks for all we have achieved individually and as a Nation.

/s/ GOODWIN J. KNIGHT
Governor of California

GEO. HARRIS, oldtime Hollywood star, now salesman—"In sales you have an audience, too—and the orders you get are the applause."

CAPT. OTTO MEYER, S. F. traffic director—"As jurors, San Franciscans are prone to award huge damages in accident cases; as motorists, they pay the highest insurance rates in the State."

Yuletide Tea By Garden Club December 2nd

Yuletide arrangements and ideas will be presented at the Campbell Garden Club's annual Christmas Tea announces Mrs. Charles Smith, program chairman. Members who will participate in this presentation are Mesdames Anthony Leal, Robert Dunn, Roy Burnett and Charles Smith. Beautiful flower arrangements and novel Christmas decorations are promised.

In addition to the arrangements, Miss Janice Muiso of Campbell will render several Christmas songs.

Mesdames Jules Langlo and G. K. Schrader, co-chairmen of the tea, urge that all members who plan to attend and are bringing a guest be sure to make their reservations by telephoning Mrs. Jules Langlo at FR 8-6311 or Mrs. Roy Sindell, FR 8-5654.

Silver magnolia leaves, candle light and individual table decorations will decorate Campbell Woman's Club on December 2nd, date set for the tea. An exchange of plants will be made among the members and their guests. Tea will be served from 2 to 4 p. m.

BROWNING SOCIETY GIVES AWARDS

The San Francisco Browning Society has announced its annual contest for the best poem submitted in dramatic monologue form between now and March 31, 1954. An award of $100 is offered, with entries limited to poets of nine Bay Counties of California—Alameda, Contra Costa, Marin, Napa, San Francisco, San Mateo, Santa Clara and Sonoma.

Judges in this year's contest are Dr. Sarah Wingate Taylor, English Department, Dominican College, San Rafael; Dr. John W. Dodds, Director Special Program in the Humanities, Stanford University and Dr. George Hedley, Chaplain, Mills College.

All entries in the contest must be original and unpublished, and poems may be of any length. Contestants may submit more than one entry but each must meet the rules of the contest, submitted under a separate pen name, with attached sealed envelope containing the pen name, title of entry envelopes with poet's real names only by pen names, and attached dress. Judges will identify entries and author's real name and adare not opened until after the contest.

Manuscripts must be mailed to the San Francisco Browning Society, Room 703, 342 Grant Avenue, San Francisco 8, by midnight of March 31, 1954. Award of prize will be announced April 30, 1954. Further information may be obtained by writing to that address or by telephoning EXbrook 2-4866, San Francisco.

CHILD WELFARE . . . was discussed by members of the Cambell Countrywomen's Club meeting recently in the Clubhouse. Mrs. W. R. Morgan (center) was moderator of the panel. Participating on the panel were E. F. Tablak, (right) L. P. Newberry, (left) and Mrs. Florense Gilmore.

"Aloha" Theme Of OES Meet

Campbell Chapter 553, Order of the Eastern Star will meet to-the Eastern Star met Thursday in the IOOF Hall with "Aloha" as the theme of the evening.

At the past meeting of the chapter, "Armistice Day" was observed with Mrs. Cora W. Kaufmann, worthy matron, and F. Wilbur Mitchell, worthy patron, presiding at the meeting. Assisting Mrs. Glen Seignor, general chairman were Mesdames George Stoope, Grace Kirkpatrick, Frank Greggs, David Ribble, George Hatlen, Mrs. James Rice and Don Hartman.

A first time visitor, Mrs. Rose Matthews of Santa Clara was introduced. Reports of the Grand Chapter meeting were presented by the worthy matron and Mrs. Donald Hartman. A report on the visit to the Eastern Star Home was presented.

Elected to leadership posts for the coming term were Mrs. Donald Hartman, worthy matron; Donald F. Hartman, worthy patron; Mrs. Wilfred Peterson, associate matron; Glen Seignor, associate worthy patron; Mrs. Edwin B. Parker, conductress; Mrs. Herbert Brasch, secretary, and Mrs. L. V. Critchlow, treasurer.

Ted Schenk Attends Underwriter School

Ted E. Schenk of 281 Sunnyoaks Avenue, a representative for the California-Western States Life Insurance Company, was one of seven of the company's agents to qualify for underwriters school conducted this month at the home office in Sacramento. Attendance at the school is an award for agents with outstanding field experience and accomplishment.

Lucere

Cathy Irene was the name chosen by the Manuel R. Lucere family of 123 Latimer avenue, on her recent arrival in Campbell.

PUBLIC URGED TO MAIL EARLY FOR CHRISTMAS

There are only 29 shopping days before Christmas. That means that time is growing short for Christmas mail to reach its destination. Ira H. Grim, Campbell postmaster said that the public can be reasonably sure that parcels mailed before November 15 on regular surface mails will reach their destinations before Christmas. There is no guarantee that surface parcels mailed after November 15, or air parcel post mailed after November 25, will be delivered in time for the holiday, he said.

Air service to overseas personnel, Grim said, quoting a postal bulletin is dependent on military and medical requirements. Parcels destined for delivery in Japan, Korea, and the islands in the Pacific should be mailed as early as possible, preferably not later than November 1.

Grim urged the cooperation of the public in preparing mailings of greeting cards and gift parcels as an important factor in easing dispatch and delivery.

Specific directions for Christmas mailing were given by the postmaster to ease the holiday rush: (1) addresses should bear street address, apartment, number of rural route number whenever possible. (2) Parcels may be marked "Do not open until Christmas" to encourage early mailing (3) Written greetings, such as "Merry Christmas" may be used on third or fourth (parcel post) mail. (4) Wrap and tie articles securely, but do not seal them unless they are endorsed "Contents Merchandise. May be Opened for Postal Inspection If Necessary", together with the name and address of sender. (5) Unsealed Christmas greetings are sent as third class mail for two cents postage.

QUITO PARK POSTAL ROUTE CANTRACT LET

Ronald Avery is the successful bidder for Contract Station No. 1 serving the Quito Park area from the Saratoga postoffice according to word from the U. S. Postal Department.

VACANCY OPEN FOR ANNAPOLIS

Senator Thomas H. Kuchel today announced that he will have one vacancy under his quota for appointment to the Naval Academy for entrance in -954. Candidates must be not less than 17 years of age nor more than 22 years of age on July 1, 1954.

Senator Kuchel stated he will select him nominee on the basis of results of a competitive examination he has requested the Civil Service Commission to sponsor in January.

He asks that any interested Californian write him at the Senate Office Building, Washington, D. C. Details on the time and place of the competitive examination will be furnished applicants as soon as this information is released by the Civil Service Commission.

Mrs. ROBERT NELSON of Sandy Lane was honored at a baby shower November 9th by her Sandy Lane neighbors. Both personal and baby gifts were opened by Mrs. Nelson. Mrs. RULAN BIGELOW and Mrs. ED SHAW hostessed the shower and those attending were Mesdames Charles Hampton, Albert Stage, Gene Kelley, Paul Flescher, Lee Diel, Harry Bloom, Robert Mathewson, Lyman Ash, Forbes Jones, Stanley Becker, Richard Martin, Robert Lay, George Milner, Frank McDaniel and Leo Petrucci.

Countrywomen Plan Yuletide Tea Meeting

Christmas music will be the program highlight at the Campbell Country Woman's club's annual Christmas Tea to be held December 7th at 2 P. M. in the Campbell Library.

The Campbell High School A Cappella Choir under the direction of Mr. Frank Triena will furnish the music. A social hour will follow the program with Mrs. L. B. Benson as chairman.

Members of the club heard a very interesting panel discussion on "Our Responsibility, Child Welfare" with Mrs. W. R. Morgan as moderator, at the Nov. 16th meeting. Participating on the panel were, E. F. Tablak, L. P. Newberry, Errol Parrish and Mrs. Florence Gilmore. Mrs. Walter C. Elmeeting. Mrs. Sherman A. Lombord was voted into the club as bard was voted into the club as a new members.

Committee members who assisted Mrs. Bartley Kilgallin, chairman for the afternoon program, were Mesdames Ray Babcock, L. E. Hendricks, I. H. Grim, George Jeffers and Ben Herring.

Milpitas To Vote On Incorporation

An election has been set for January 12 in which the people of Milpitas will decide on incorporation as a city of the sixth class. Proposed city limits include the forty million dollar Ford plant now under construction.

Atty. Richard Morton presented the application for the proponents stating that Ford Co. and Western Pacific Railroad favor such status. There were no protests. Proponents state there are 830 residents in Milpitas.

San Jose State opens one of its most rigorous basketball schedules December 1 as the Spartans embark on a 27-game slate.

Coach Walt McPherson looks askance at a schedule which includes five games with Pacific Coast Conference teams, two with Border Conference quints, four with CCAA clubs and four with independents in addition to a tough 12-game California Basketball Association slate.

CAMPBELL HI-LITES

By Bob Olson

It is noteworthy when we hear a student praise his instructor. To so many, a teacher is some mild form of ogre, or, at best, a necessary evil. And so, on this, education week, we devote a column to laud one teacher in a school which has many and to consider the work of one of his pupils, even though most of them are doing work worthy of commendation.

In a history class the other day a teacher asked Charles Womer to give a sentence correctly using the word PRACTICAL, a word used in the text to describe the Romans. The high school junior replied, "Mr. Peabody is the most PRACTICAL teacher I've ever had."

Interested in having heard a kind word spoken about one of his colleagues, the teacher asked Charles to elaborate. And so, the boy went on, " . . . English is a subject most of us dread. When it comes to reading Shakespeare we'd rather be outside doing something else, and when it comes to grammar, pew! But this year I like everything we do in English-Speech—and so do most of the kids in our class. I guess it's because we see the meaning to everything Mr. Peabody has us do."

Well, that is high praise—but you'd find that it is earned if you paid a visit to room 39, the way we did the other day. We sat in on 31 high school juniors who were happily busy combining American literature with speech techniques. We watched them meet in groups and rehearse their class talks in small groups before going before the whole class. We noted that Mr. Peabody's classes have that rare quality of freedom which never becomes license. And we admired some of their many interesting activities, their "What Do YOU See?" pictures on the bulletin board, for example. In this project, students carefully analyze photographs and write themes in which they express their reactions.

We heard students compare characters in short stories as well as authors, noting that Mr. Peabody's students are able to constructively criticize one another without ever sinking to personal malice.

Perhaps his English IIIS classes are presently gaining most satisfaction in preparing for BOND DRIVE speeches. Students like Carol Foster, Linda Legrande, Russillene Haggard, and Rolene Hieman are getting ready to visit students in Campbell High District elementary schools in an effort to "get out the vote." They are careful to phrase their thoughts in language that is both interesting and meaningful to a fifth, sixth, seventh, or eighth grader.

Some of Mr. Peabody's students are preparing to address older groups as well. Neil Armann, for example, has given us permission to quote from his talk:

"As everyone knows, the Campbell Union High School District is putting on a bond drive for a new high school to be located near Cambrian Park. The money raised will be used to build a completely new high school, to fully equip it with books, desks, busses, and all other items necessary to a good education.

"Now this drive is for two and a half million dollars. This may seems like a lot of money, but your taxes would be raised only five dollars, at the most. If the vote does not pass, Campbell High will be operating at double capacity in four years or when the people now in sixth, seventh, or eighth grades reach high school. And this figure does not even include the people moving into our district all the time.

"But let's go into the future to see what conditions would be like in the year 1958 if this vote didn't pass. On the first day of school a student might find that he had not been given some of the subjects signed up for because those classes were already overcrowded and no room to start more classes. There might be no lockers for books; the halls between periods would be packed with students going every direction. At noon the cafeteria would be swarming, with the lunch lines a mile long.

"Now it is later in the year and you are sort of getting used to your overcrowded school. But let's see what some of your classrooms are like . . . chemistry, for example. Only half the class may practice an experiment today because there just isn't room for everyone.

"Next we come to woodshop. Here, you're lucky today; after waiting several weeks you finally get to use the jig saw. This is a normal situation in all the shop courses. With so many students, one seldom gets to use the power tools.

"But let's try P. E. next. The locker room is crowded and you have a rough time changing into your gym clothes. You have to share your gym locker with another person. Every once in a while you get to go swimming—or, rather, you get to go into the swimming pool, for with so many in it, who can swim? Lot of us wanted to go out for football, but there weren't enough suits for everyone, so some of us don't get a chance.

"You can easily see that conditions here at Campbell High would not be too good in a few years if another high school isn't soon built. When our school needed money to build more classrooms a few years ago, the people in the district saw our need for more classrooms, and passed a bond. Students at the high school are now enjoying these facilities. Students at that time put the bond election over, even though they knew they themselves would never get to use those classrooms. Now it's our responsibility to do as those student did—we must get every person in this district to vote YES on the bond for the new high school."

This is a stirring speech when you hear it delivered orally, making you realize that this election needs YOU, and that a new district high school will benefit all of us, who consider Campbell a good place in which to live, to grow, and to raise our children.

Mr. Peabody is raising one of his own in a German-castle like home in Blossom Valley, between Los Gatos and Campbell. He says that his son, Peter, is a better quick change artist than most of the comedians we see on TV, running the gamut of emotions from happiness to tears in a matter of minutes. A former army lecturer, Mr. Peabody is a graduate of Stanford University where he majored in English and from which he has an MA in education. He formerly worked for United Air Lines where the girl who is now his wife was also a reservation agent. Mr. Peabody enjoys speaking before large groups himself as well as training his students for this high calling. He can often be heard lecturing before the Sierra Club, an avocational group he enjoys lifting to the heights in more ways than one:

HAL STRAUSS TO BE SPEAKER AT CPIA MEET

Hall Strauss, secretary-manager of San Jose Better Business Bureau, and E. Riddle, field representative, will be featured speakers when Cambrian Park Improvement Association meets Tuesday, December 1, at 8 p. m. at Union School, vice-president Peggy Meyers said this week.

The talk will acquaint residents of the Cambrian area with unscrupulous practices often engaged in by fly-by-night operators who prey on the unwary housewife. Strauss will also describe the duties and services offered by the Better Business Bureau.

Results of the recent canvass of opinion concerning better transportation for the Cambrian Park area are expected to be given at this meeting by Joseph Ticknor, and William Gadbury.

Also to be discussed will be committee reports for a New Year's Day dance. This is to be an annual affair, and will mark the second time the association has arranged a community dance, chairman Mrs. Lee Diel said. The last dance staged by the Cambrian Park Association was held at Hotel Lyndon, Los Gatos, at Hallowe'en.

CAMPBELL AREA CHURCHES

LEGAL NOTICE

Ordinance No. 43

AN ORDINANCE OF THE CITY OF CAMPBELL, COUNTY OF SANTA CLARA, STATE OF CALIFORNIA, ADOPTING A ZONING OR DISTRIBUTING PLAN FOR SAID CITY, WITHIN WHICH CERTAIN REGULATIONS SHALL BE IN EFFECT RELATING TO THE USES OF LAND AND BUILDINGS, HEIGHT LIMITS OF BUILDINGS, AND YARDS AND OTHER OPEN SPACES ABOUT BUILDINGS: REQUIRING THAT CERTAIN PERMITS SHALL BE SECURED FOR CERTAIN OF SUCH BUILDINGS AND USES: DEFINING CERTAIN TERMS USED HEREIN: AND SPECIFYING THE PROCEDURE FOR THE AMENDMENT, AND PRESCRIBING PENALTIES FOR THE VIOLATION OF ANY OF THE PROVISIONS HEREIN: REPEALING ALL OTHER ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT HEREWITH, BEING ARTICLE IX, ENTITLED "PLANNING, ZONING AND SUBDIVISION REGULATIONS", OF CAMPBELL MUNICIPAL CODE.

The City Council of the City of Campbell does ordain as follows:

ARTICLE IX CHAPTER ONE
SECTION 19:00 ADOPTION OF THE ZONING PLAN

SECTION 19:01 There is hereby adopted a zoning or districting plan as a part of the master plan of the City of Campbell, California. It consists of the establishment of various districts, including therein all the territory within the boundaries of said city, within various of which districts it shall be lawful, and within various of which it shall be unlawful to erect, construct, alter, or maintain certain buildings or to carry on certain trades or occupations or to make certain uses of lands, and/or within which the height and bulk of buildings shall be limited, and/or within which certain open spaces shall be required about buildings and consisting, further, of appropriate regulations to be enforced in such districts, all as set forth in this ordinance.

SECTION 19:02 The City Council of the City of Campbell hereby finds and declares that this ordinance is necessary in order to encourage the most appropriate use of land throughout the city; to stabilize and conserve the value of property; to provide adequate light, air and reasonable access; to secure safety from fire and other dangers; to prevent overcrowding of land; to avoid undue concentration of population; to facilitate the adequate provision for transportation, water, sewerage, schools, parks and other public improvements; and in general to promote the public health, safety, peace, morals, comfort and welfare, all in accordance with a comprehensive Zoning Ordinance and Master Plan.

SECTION 19:04 This Ordinance shall be known as the "Zoning Ordinance of the City of Campbell' and may be so cited and pleaded. References to Section numbers herein are to the Sections of this Ordinance.

SECTION 19:05 DEFINITIONS

SECTION 19:06 For the purpose of this ordinance certain terms and words are herewith defined at follows:

SECTION 19:07 The words "used for" include "designed for" and vice versa; words used in the present tense include the future; words in the singular number include the plural and vice versa; the word "building" includes "structure"; and the word "shall" is mandatory and not directory; the word "lot" includes the word "plot"; the word "City Council" as used herein, shall mean the City Council of the City of Campbell; the word "Planning Commission" shall mean the City Planning Commission of the City of Campbell, California; the word "city" shall mean the City of Campbell, California. Unless otherwise indicated reference in this ordinance to whole numbers of sections includes all of the decimal numbered paragraphs listed under such whole numbered section; i. e. a reference to Section 19:05 includes Sections 19:05.1, 19:05.2 where the same are applicable.

SECTION 19:08 ACCESSORY BUILDING: A detached, subordinate building whose use is clearly incidental to that of the main building or to the use of the land and which shall not contain living or sleeping quarters or storage for commercial motor vehicles in excess of three-quarter (3/4) ton size.

SECTION 19:09 AIRPORT: Any area of land or water designed, used, or intended to be used, or set aside for the landing and taking off of aircraft. The term "Airport" includes all necessary taxi-ways, aircraft storage and tie-down area, hangars and other necessary buildings and open spaces.

SECTION 19:10 ALLEY: Any public thoroughfare which affords only a secondary means of access to abutting property.

SECTION 19:11 ALTERATION: STRUCTURAL: Any change which would tend to prolong the life of the supporting members of a building or structure, such as bearing walls, columns, beams or girders.

SECTION 19:12 APARTMENT HOTEL: A building or portion thereof designed for or containing both individual guest rooms or suites of rooms and dwelling units.

SECTION 19:13 APARTMENT HOUSE: Same as "Dwelling Multiple".

SECTION 19:14 AUTO COURT: Same as "Tourist Court".

SECTION 19:15 AUTOMOBILE SERVICE STATION: Any premises used for supplying gasoline and oil, at retail direct to the customer, including minor accessories and services for automobiles, but not including automobile repairs.

SECTION 19:16 AUTOMOBILE AND TRAILER SALES AREA: An open area, other than a street, used for the display, sale or rental of new or used automobiles or trailers, and where no repair work is done except minor incidental repair of automobiles or trailers to be displayed or sold on the premises.

SECTION 19:17 AUTOMOBILE WRECKING: The dismantling or wrecking of used motor vehicles or trailers, or the storage, sale or dumping of dismantled, partially dismantled, obsolete or wrecked vehicles or their parts.

SECTION 19:18 BASEMENT: A story partly or wholly underground. For purposes of height measurements, a basement shall be counted as a story where more than one-half of its height is above the average level of the adjoining grround.

SECTION 19:19 BLOCK: That property so designated on an official map of the city or part of the city, or bounded by streets, or by a street or streets and railroad right-of-way, canal right-of-way or unsubdivided acreage.

SECTION 19:20 BOARDING HOUSE: A building or portion thereof, other than a hotel where meals and lodging for five (5) or more persons are provided for compensation.

SECTION 19:20 a BREEZEWAY: A covered passageway between buildings which does not exceed ten (10) feet in width and which has at least one side open except for necesary supporting columns.

SECTION 19:21 BUILDING: A structure having a roof supported by columns or walls for the housing or enclosure of persons. animals, or chattels. Where a dwelling is separated by a division wall without openings, each portion of such dwelling shall be deemed a separate building.

SECTION 19:22 BUILDING, HEIGHT OF: The vertical distanc measured from the adjoining curb grade to the highest point of the roof surface, if a flat roof; to the deck line of a mansard roof; and to the mean height level between eaves and ridge for a gable, hip or gambrel roof; provided, however, that where buildings are set back from the street line, then the height may be measured from the average elevation of the finished grade along the front of the building.

SECTION 19:23 BUILDING, MAIN: A building in which is conducted the principal use of the lot on which it is situated. In any "M" district any dwelling shall be deemed to be the main building on the lot on which the same is situated.

SECTION 19:24 BUILDING, UNIT GROUP: Two or more buildings (other than dwellings) grouped upon a lot and held under single ownership such as universities, hospitals, institutions and industrial plants.

SECTION 19:25 BUSINESS, RETAIL: Retail sale of any article, substance, or commodity for profit or livelihood, conducted within a building but not including the sale of lumber or other building materials or the sale of used or second-hand goods or materials of any kind.

SECTION 19:26 BUSINESS, WHOLESALE: The wholesale handling of any article, substance or commodity for profit or livelihood, but not including the handling of lumber or other building material, or the open storage or sale of material or commodity and not including the processing or manufacture of any product or substance.

SECTION 19.27 CAMP, TRAILER: An area or tract of land used or designed to accommodate two (2) or more automobile or house trailers.

SECTION 19:28 CEMETERY: Land used or intended to be used for the burial of the dead and dedicated for cemetery purposes, including columbariums, crematories, mausoleums, and mortuaries when operated in conjunction with and within the boundary of such cemetery.

SECTION 19:29 COURT: An open unoccupied space, other than a yard, on the same lot with a building, or buildings, and bounded on two (2) or more sides by a building, or buildings, including the open space in a dwelling group providing access to the units thereof.

SECTION 19:30 COURT APARTMENT: One, two or three multiple dwellings arranged around two (2) or three (3) sides of a court which opens onto a street, or a place approved by the Commission.

SECTION 19:31 CURB GRADE: The elevation of the established curb in front of the building measured at the center of such front. Where no curb grade has been established, the City Engineer shall establish such curb grade or its equivalent for the purpose of this ordinance.

SECTION 19:32 DISTRICT: A portion of the city within which certain uses of land and buildings are permitted or prohibited and within which certain yards and other open spaces are required and certain height limits are established for buildings, all as set forth and specified in this ordinance.

SECTION 19:33 DWELLING: A building or portion thereof designed exclusively for residential occupancy, including single-family, two-family and multiple-family dwellings, but not including hotels, boarding and lodging houses.

SECTION 19:34 DWELLING UNIT: Two or more rooms in a dwelling or apartment hotel designed for occupancy by one family for living purposes and having building designed exclusively for only one kitchen.

SECTION 19:35 DWELLING, SINGLE FAMILY: A detached occupancy by one family.

SECTION 19:36 DWELLING, TWO-FAMILY: A building designed exclusively for occupancy by two (2) families living independently of each other.

SECTION 19:37 DWELLING, MULTIPLE-FAMILY: A building or portion thereof, designed for occupancy by three (3) or more families living independently of each other.

SECTION 19:38 DWELLING GROUP: One or more dwellings, other than a tourist court, arranged around two (2) or three (3) sides of a court, which opens onto a street, or a place approved by the Commission, including single-family, two-family or multiple-family dwellings and court apartments.

SECTION 19:39 EDUCATIONAL INSTITUTION: A college or university giving general academic instruction equivalent to the standards prescribed by the State Board of Education.

SECTION 19:40 FAMILY: An individual, or two (2) or more persons related by blood or marriage, or a group of not more than five (5) persons (excluding servants) not related by blood or marriage, living together as a single housekeeping unit in a dwelling unit.

SECTION 19:41 FRONTAGE: All the property fronting on one (1) side of a street between intersecting or intercepting streets, or between a street and a right-of-way, waterway, end of dead-end street, or city boundary, measured along the street line. An intercepting street shall determine only the boundary of the frontage on the side of the street which it intercepts.

SECTION 19:42 GARAGE, PRIVATE: A detached accessory building or portion of a main building for the parking or temporary storage of automobiles of the occupants of the premises.

SECTION 19:43 GARAGE, PUBLIC: A building other than a private garage used for the care, repair, or equipment of automobiles, or where such vehicles are parked or stored for remuneration, hire, or sale.

SECTION 19:44 HOME OCCUPATION: An occupation carried on by the resident of a dwelling as a secondary use within the same dwelling and in connection with which there is no person employed, no sounds audible beyond said dwelling, no display, no advertising and no selling of a commodity upon the premises.

SECTION 19:45 HOTEL: A building designed for occupancy as the more or less temporary abiding place of individuals who are lodged with or without meals, in which there are more than fifteen (15) sleeping rooms usually occupied singly and in which no provision is made for cooking in any individual room or suite.

SECTION 19:46 JUNK YARD: The use of more than 100 square feet of the area of any lot for the storage of junk, including scrap materials and metals, or wrecked vehicles and machinery, whether or not sale of such junk is made or proposed.

SECTION 19:47 KENNEL: Any lot or premises on which four (4) or more dogs, more than four (4) months of age are kept.

SECTION 19:48 LOADING AREA: An open area, other than a street or alley, used for the loading or unloading of vehicles.

SECTION 19:49 LOADING SPACE: An off-street space or berth on the same lot with a building, or contiguous to a group of buildings, for the temporary parking of a commercial vehicle while loading or unloading merchandise or materials, and which abuts upon a street or other appropriate means of access.

SECTION 19:50 LODGING HOUSE: A building or portion thereof, other than a hotel, where lodging for five (5) or more persons is provided for compensation, including rooming house.

SECTION 19:51 LOT: Land occupied or to be occupied by a building, or unit group of buildings, and accessory buildings together with such yards and lot area as are required by this rdinance, and having its principal frontage upon a street, or a place approved by the Commission.

SECTION 19:52 LOT LINES: The lines bounding a lot as defined herein.

SECTION 19:53 LOT WIDTH: The horizontal distance between the side lot lines, measured at right angles to the lot depth at a point midway between the front and rear lot lines.

SECTION 19:54 LOT DEPTH: The horizontal distance between the front and rear lot lines, measured along the median between the two side lot lines.

SECTION 19:55 LOT AREA: The total horisontal area within the lot lines of a lot.

SECTION 19:56 LOT, CORNER: A lot, or portion thereof, not greater than seventy-five (75) feet in width and situated at the intersection of two (2) or more streets.

SECTION 19:57 LOT, REVERSED CORNER: A corner lot the side street line of which is substantially a continuation of the front line of the lot to its rear.

SECTION 19:58 LOT, INTERIOR: A lot other than a corner lot.

SECTION 19:59 LOT, THROUGH: A lot having frontage on two (2) parallel or approximately parallel streets.

SECTION 19:60 MANUFACTURE: Preparation, making, treatment or processing of articles as merchandise.

SECTION 19:61 NON-CONFORMING BUILDING: A building or structure or portion thereof lawfully existing at the time this ordinance became effective, which was designed, erected, or structurally altered, for a use that does not conform to the use regulations of the district in which it is located.

SECTION 19:62 NON-CONFORMING USE: A use which lawfully occupied a building or land at the time this ordinance became effective and which does not conform with the use regulations of the district in which it is located.

SECTION 19:63 PARKING AREA, PRIVATE: An open area other than a street or alley, used for the parking of the automobiles of occupants of a dwelling.

SECTION 19:64 PARKING AREA, PUBLIC: An open area, other than a private parking area, street, or alley, used for the parking of automobiles and available for public or quasi-public use.

SECTION 19:65 PARKING SPACE, AUTOMOBILE: Space within a building or a private or public parking area for the parking of one (1) automobile.

SECTION 19:66 PLACE: An open unoccupied space other than a street or alley, permanently reserved as the principal means of access to abutting property.

SECTION 19:67 ROOMING HOUSE: Same as "Lodging House".

SECTION 19:68 SCHOOL: ELEMENTARY OR HIGH: An institution which offers instructions in the several branches of learning and study required to be taught in the public schools by the Education Code of the State of California, High Schools include Junior and Senior.

SECTION 19:69 STABLE, PRIVATE: A detached accessory building for the keeping of horses owned by the occupants of the premises and not kept for remuneration, hire or sale.

SECTION 19:70 STABLE, PUBLIC: A stable other than a private stable.

SECTION 19:71 STORY: That portion of a building included between the surface of and floor and the surface of the floor next above it, or if there be no floor above it, then the space between such floor and ceiling next above it.

SECTION 19:72 STORY, HALF: A story under a gable, hip or gambrel roof, the wall plates of which on at least two (2) opposite exterior walls are not more than four (4) feet above the floor of such story.

SECTION 19:73 STREET: A permanently reserved thoroughfare which affords principal means of access to abutting property.

SECTION 19:74 STRUCTURE: Anything constructed or erected, which required location on the ground or attached to something having a location on the ground.

SECTION 19:75 TOURIST COURT: A group of attached or detached buildings containing individual sleeping or living units, designed for or used temporarily by automobile tourists or transients, with garage attached or parking space conveniently located to each unit, including auto courts, motels, or motor lodges.

SECTION 19:76 TRAILER, AUTOMOBILE: A vehicle without motive power, designed to be drawn by a motor vehicle and to be used for human habitation or for carrying persons and property, including a trailer coach or house trailer.

SECTION 19:77 USE: The purpose for which land or a building is arranged, designed or intended, or for which either land or a building is or may be occupied or maintained.

SECTION 19:78 YARD: An open space, other than a court, on a lot, unoccupied and unobstructed from the ground upward, except as otherwise provided in this ordinance.

SECTION 19:79 YARD, FRONT: A yard extending across the full width of the lot, the depth of which is the minimum horizontal distance between the front lot line and a line parallel thereto on the lot.

SECTION 19:80 YARD, REAR: A yard extending across the full width of the lot between the most rear main building and the rear lot line; the depth of the required rear yard shall be measured horizonotally from the nearest point of the rear lot line toward the nearest part of a main building.

SECTION 19:81 YARD, SIDE: A yard between the main building and the side lot line, extending from the front yard, or front lot line where no front yard is required, to the rear yard; the width of the required side yard shall be measured horizontally from the nearest point of the side lot line toward the nearest part of a main building.

CHAPTER ONE PART TWO

SECTION 19:82 DISTRICTS: In order to carry out the purpose and provisions of this Ordinance, the City is hereby divided into SEVEN (7) districts, known as:

FULL NAME	SHORT NAME
"R1" Single-family	"R1" District
"R2" Multiple-family	"R2" District
"R3" Multiple-family	"R3" District
"C1" Neighborhood Commercial	"C1" District
"C2" General Commercial	"C2" District
"M1" Light Industrial	"M1" District
"M2" Heavy Industrial	"M2" District

SECTION 19:83 COMBINING REGULATIONS: In addition to the foregoing districts certain combining regulations are established as set forth in this ordiaance, said combining regulations being as follows, to wit:

FULL NAME	SHORT NAME
"S" Special Zoning Area	"S" District

SECTION 19:84 The districts aforesaid and the boundaries of such districts are shown upon the map attached hereto and made a part of this ordinance, being designated as the "Zoning Map of the City of Campbell", together with "Sectional District Map of the City of Campbell" supplementary thereto, consisting of an "Index Map" and Fourteen sectional district maps numbered consecutively from 1 to 14 inclusive, and said map and all notations, references and other information shown thereon shall be as much a part of this ordinance as if the matters and information set forth by said map were all fully described herein.

SECTION 19:85 Whenever the terms "R" District, "C" District or "M" District are used herein, they shall be deemed to refer to all districts containing the same letter in their names; for example, the term "C' District shall include the "C1" and "C2" District.

SECTION 19:86 The "R1" District is the most restricted and the "M2" District is the least restricted.

SECTION 19:87 For "General Provisions" and "Exceptions" pertaining to the following district regulations, see Sections 19:287 to 323 inclusive.

SECTION 19:88 "R1" SINGLE-FAMILY DISTRICT

SECTION 1989 The following regulations shall apply in the "R1" Single-family District:

SECTION 19:90 USE: No building, structure or land shall be used and no building or structure shall be hereafter erected, structurally altered or enlarged, except for the following uses:

SECTION 19:91 Single-family dwelling.

SECTION 19:92 Farming and truck gardening, if in compliance with all other laws and ordinances pertaining to the City.

SECTION 19:93 Churches: except rescue mission or temporary revival, provided all the following conditions are met:

(a) YARDS: Front Yard---25 feet
Side Yards---25 feet
Rear Yards---20 feet

(b) A public parking area shall be provided on the basis of one automobile parking space for each five seats provided in the church, such area to be improved as provided in Section 19:290.

(c) Front yard and side yard areas shall be improved and landscaped in a manner similar to the balance of residential property in the neighborhood.

SECTION 19:94 Transitional uses shall be permitted in the "R1" District where a lot sideline abuts upon a lot in a "C" or "M" District, provided such transitional use does not extend more than one hundred (100) feet from the boundary of the less restricted district which it adjoins, as follows:

(a) Two-family dwelling with the same area requirements as in the "R2" District.

(b) Professional office, such as that of an Accountant, Architect, Artist, Attorney, Dentist, Doctor (physician, surgeon, chiropractor, chiropodist), Engineer, (registered) Surveyor, (licensed), provided such use is conducted within a dwelling and the residential character of such dwelling is not changed.

(c) Public parking area or loading area when located and developed as required in Section 19:290:

SECTION 19:95 Conditional Uses: The following uses may also be permitted if their location is first approved by the commission, as provided for in Section 338: School (Elementary and High) and park, playground or community center, owned and operated by a governmental agency or a nonprofit community organization; and golf course (except driving tee or range, miniature course and similar uses operated for commercial purposes).

SECTION 19:96 Uses customarily incident to any of the above uses, including home occupations such as that of a dressmaker, milliner, artist, physician, surgeon, dentist, minister of religion, or other person authorized by law to practice medicine or healing, provided:

(a) that such use shall not be interpreted to permit a principal office for the practice of medicine, surgery, dentistry, or healing; and

(b) that there shall be no assistant employed.

SECTION 19:97 Accessory building, not exceeding one (1) story nor fourteen (14) feet in height; provided such accessory building (a) shall be located on the rear half of the lot:

(b) Shall not be less than ten (10) feet from the rear of a main building located on the same lot;

(c) shall be not less than five (5) feet from any street line;

(d) may occupy not more than forty (40) per cent of the area of a required rear yard;

(e) when located at the side of a main building, shall be not less than five (5) feet from the main building nor less than five (5) feet from the side lot line;

(f) when located on a reversed corner lot, shall not project beyond the front yard line required on the lot in the rear of such lot, and shall not be closer than five (5) feet from the side line along the front half of the adjoining key lot.

(g) when located on a lot having a slope of twenty-five (25%) or more, said accessory building may be located in the required front yard, provided every portion thereof is located at least five (5) feet from the front line and does not occupy more than fifty per cent (50%) of the width of the front yard.

(h) No garage shall be located closer than three (3) feet to any side lot line.

(i) Breezeways may be permitted to provide shelter between buildings.

SECTION 19:98 Name plates and signs: The following name plates and signs shall be permitted: One unlighted name plate for each dwelling unit, not exceeding one and one-half (1½) square feet in area, indicating the name of the occupant; one identification sign not exceeding twelve (12) square feet in area for buildings other than dwellings; on church bulletin board, not exceeding eighteen (18) square feet in area; an unlighted sign or signs not exceeding a total area of twelve (12) square feet, appertaining to the prospective rental or sale of the property on which they are located; provided, that a name plate or identification sign shall be attached to and parallel with the front wall of the building.

SECTION 19:99 AUTOMOBILE PARKING:

SECTION 19:100 For Dwellings There shall be provided at the time of erection of any dwelling at least one (1) permanently maintained parking space, on the same lot with the dwelling, for each dwelling unit. Such parking space shall be not less than ten (10) feet wide and twenty (20) feet long with adequate provision for ingress and egress. In no case shall the parking of more than each dwelling be permitted unless two (2) passenger automobiles for the lot whereon such parking is located has an area of at least two thousand (2000) square feet for each parking space. Private parking areas shall be located in accordance with requirements for accessory buildings in this section. No automobile driveway to provide access shall be less than 8 feet in width.

SECTION 19:101 For Buildings Other than Dwellings: For churches and school auditoriums, there shall be provided at the time of erection of a new building, or for an addition to an existing main building, at least one (1) permanently maintained parking space having a gross area of not less than two hundred fifty (250) square feet for every five (5) seats provided in said building. Said parking space shall be located on the same lot as the main building or within a distance of five hundred (500) feet therefrom.

SECTION 19:102 Required Improvements: The above parking areas shall be improved as provided in Section 19:290.

SECTION 19:103 HEIGHT: No building or structure shall hereafter be erected to exceed two and one-half (2½) stories or thirty-five (35) feet in height.

SECTION 19:104 AREA: No building or structure nor the enlargement of any building or structuere shall be hereafter erected unless the following yards and lot areas are provided and maintained in connection with such building, or structure or enlargement:

SECTION 19:105 Front Yard: There shall be a front yard of not less than twenty-five (25) feet; however, where lots comprising forty per cent (40%) or more of the frontage (excluding reversed corner lots) are developed with buildings having front yards with a variation of not more than ten (10) feet in depth, the average of such front yards shall establish the front yard depth for the entire frontage. In determining such front yard depth, buildings located entirely on the rear one-half of a lot shall not be counted.

SECTION 19:106 Side Yards: On interior lots there shall be a side yard on each side of a main building of not less than ten per cent (10%) of the width of the lot, but such side yard need not exceed six (6) feet. In no case, however, shall a side yard be less than four (4) feet in width.

SECTION 19:106.1 On corner lots the side yard regulation shall be the same as for interior lots, except on the street side of a corner or a reversed corner lot in which case the side yard shall be not less than fifty percent (50%) of the front yard required on the lots in the rear of such corner lot, but such side yard need not exceed ten (10) feet, nor shall it be less than the side yard required on the interior lots.

SECTION 19:106.2 Provided, however, that this regulation shall not be so interpreted as to reduce the buildable width (after providing the required interior side yard) of a reversed corner lot of record at the time this ordinance became effective, to less than twenty-eight (28) feet for a main building, nor less than twenty (20) feet for an accessory building.

SECTION 19:107 Rear Yard: There shall be a rear yard of not less than twenty per cent (20%) of the depth of the lot but such rear yard need not exceed twenty (20) feet.

SECTION 19:108 Lot Area: Every lot shall have a minimum average width of SIXTY (60) feet and a minimum of SIX THOUSAND (6000) square feet. The minimum lot area per dwelling unit shall also be six thousand (6000) square feet, except for transitional dwelling use.

SECTION 19:108.1 Provided that where a lot has a width of less than sixty (60) feet or an area of less than six thousand (6000) square feet, and was recorded under one ownership at the time this ordinance became effective, such lot may be occupied by any use permitted in this section.

SECTION 19:108.2 Provided further, that where a parcel of land:

(a) has a frontage width of less than one hundred twenty (120) feet, but not less than one hundred (100) feet;

(b) has an area of less than twelve thousand (12,000) square feet, and

(c) was held under separate ownership at the time this ordinance became effective, said parcel may be equally divided into two sparate lots, and each may be occupied as an individual lot as permitted in this section.

SECTION 19:109 "R2" MULTIPLE-FAMILY DISTRICT

SECTION 19:110 The following regulations shall apply in the "R2" Multiple-family Districts:

SECTION 19:111 USE: No building, structure or land shall be used and no building or structure shall be hereafter erected, structurally altered or enlarged, except for the following uses;

SECTION 19:112 Any use permitted in the "R1" Single-Family District.

SECTION 19:113 Two-family dwelling.

(Continued on Page 12)

Legal Notice

ORDINANCE NO. 43

(Continued from Page 11

SECTION 19:114 Multiple-family dwelling.

SECTION 19:115 Transitional uses shall be permitted in the "R2" District where the side of a lot abuts upon a lot in a "C" or "M" District, provided such transitional use does not extend more than one hundred (100) feet from the boundary of the less restricted district which it adjoins, as follows:

(a) Multiple-family dwelling with a minimum lot area per dwelling unit of eight hundred (800) square feet.

(b) Professional office, provided such use is conducted within a dwelling and the residential character of such dwelling is not changed.

(c) Public parking area or loading area when located and developed as required in Section 19:290.

SECTION 19:116 Uses customarily incident to any of the above uses—same as "R1" District.

SECTION 19:117 Accessory building—same as "R1" District.

SECTION 19:118 Name plate and sign—same as "R1" District.

SECTION 19:119 AUTOMOBILE PARKING: To be provided same as "R1" District.

SECTION 19:120 HEIGHT: No building or structure shall hereafter be erected to exceed two and one-half (2½) stories or thirty-five (35) feet in height.

SECTION 19:121 AREA: No building or structure shall hereafter be erected unless the following yards and lot areas are provided and maintained in connection with such building, structure or enlargement.

SECTION 19:122 FRONT YARD: Same as required in "R1" District.

SECTION 19:123 Side Yards: Same as required in "R1" District.

SECTION 19:124 Rear Yards: Same as required in "R1" District.

SECTION 19:125 Lot Area: Every lot shall have a minimum average width of sixty (60) feet and a minimum area of six thousand (6000) square feet. The minimum lot area per dwelling shall be fifteen hundred (1500) square feet, except for a transitional dwelling use.

SECTION 19:125.1 Provided, that where a lot has a width of less than sixty (60) feet or an area of less than six thousand (6000) square feet, and was recorded under one ownership at the time this ordinance became effective, such lot may be occupied by any use permitted in this section.

SECTION 19:126 "R3" MULTIPLE-FAMILY DISTRICT

SECTION 19:127 The following regulations shall apply in the "R3" Multiple-Family Districts:

SECTION 19:128 USE: No building, structure or land shall be used and no building or structure shall be hereafter erected, structurally altered or enlarged, except for the following uses:

SECTION 19:129 Any use permitted in the "R2" Multiple-Family District.

SECTION 19:130 Group dwellings.

SECTION 19:131 Court Apartment.

SECTION 19:132 Apartment Hotel

SECTION 19:133 Hotel, in which incidental business may be conducted only as a service for the persons living therein, provided there is no entrance to such place of business except from the inside of the building and that no sign advertising such business shall be visable from the outside of the building.

SECTION 19:134 Boarding or lodging house.

SECTION 19:135 School, elemenary and high.

SECTION 19:136 Hospital, or sanitarium, except animal hospital, clinic, and hospital or sanitarium for contagious, mental or drug or liquor-addict cases.

SECTION 19:137 Institution of an educational or philanthropic nature, except those of a correctional nature or for mental cases.

SECTION 19:138 Church, except rescue mission or temporary revival.

SECTION 19:140 Private club, lodge, fraternity or sorority except those the chief activity of which is a service customarily carried on as a business.

SECTION 19:141 Transitional uses shall be permitted in the "R3" District where the side of a lot abuts upon a lot in a "C" or "M" District, provided such transitional use does not extend more than one hundred (100) feet from the boundary of the less restricted District which it adjoins, as follows:

(a) Professional office, provided such use is conducted within a dwelling and the residential character of such dwelling is not changed.

(b) Public parking area or loading area when located and developed as required in Section 19:290.

SECTION 19:142 Uses customarily incident to any of the above uses (excluding home occupation) and the home office of a physician, surgeon, dentist, minister of religion or other person authorized by law to practice medicine or healing, provided (a) that such use shall not be interpreted to permit a principal office for the practice of medicine, surgery, dentistry, or healing; and (b) that there shall be no assistant employed.

SECTION 19:143 Accessory building—same as "R1" District.

SECTION 19:144 Name plate and sign—As permitted in the "R1" District, and also the following: One identification sign not exceeding three (3) square feet in area for Boarding and Lodging Houses; one lighted identification sign (excluding illuminated sign of the flashing or animated type) not exceeding twelve (12) square feet in area for multiple dwellings having four (4) or more dwelling units and for buildings other than dwellings.

SECTION 19:145 AUTOMOBILE PARKING AND LOADING AREAS

SECTION 19:146 Parking Space for Dwellings: For single-family and two-family dwellings—Same as "R1" District. For multiple-family dwellings, there shall be provided at the time of erection of a new dwelling or an addition to an existing dwelling at least one permanently maintained parking space having a gross area of not less than two hundred fifty (250) square feet for each dwelling unit. Private parking areas shall be located as required for the accessory building.

SECTION 19:147 Parking Space for Buildings Other than Dwellings: For a new building or for an addition to an existing main building or structure, there shall be at least one (1) permanently maintained parking space having a gross area of not less than two hundred-fifty (250) square feet as follows:

(a) For hospitals and welfare institutions, at least one (1) parking space for every eight hundred (800) square feet of gross floor area in said buildings.

(b) For hotels, apartment hotels and clubs, at least one (1) parking space for every two (2) individual guest rooms or suites for the first twenty (20) such rooms or suites; and one (1) additional parking space for every four (4) guest rooms or suites in excess of twenty (20), provided in said buildings. The required parking space shall be located on the same lot with the main building or structure.

SECTION 19:148 Loading Areas: Every hospital, institution or hotel hereafter erected or established on a lot which abuts upon an alley shall have one (1) permanently maintained loading space of not less than ten (10) feet in width, thirty (30) feet in length and fourteen (14) feet in height, for each five thousand (5000) square feet of lot area upon which said building is located.

SECTION 19:149 Required Improvements—Parking and loading areas shall be improved as provided in Section 19:290.

SECTION 19:150 HEIGHT: No building or structure shall hereafter be erected to exceed a height at the required front, side and rear yard lines of six (6) stories or seventy-five (75) feet, but above the lines, four (4) feet may be added to the height of a building for each one (1) foot that the building or portion thereof is set back from the required yard lines; provided, however, that the cubical contents of such building shall not exceed the cubical contents of a prism having a base equal to the buildable area of the lot and a height of seventy-five (75) feet.

SECTION 19:151 AREA: No building or structure nor the enlargement of any building or structure shall be hereafter erected unless the following yards and lot areas are provided and maintained in connection with such building, structure or enlargement:

SECTION 19:152 FRONT YARD: There shall be a front yard of not less than fifteen per cent (15%) of the depth of the lot, but such front yard need not exceed fifteen (15) feet: Provided however, that where lots comprising forty percent (40%) or more of the frontage (excluding reversed corner lots) are developed with buildings having front yards with a variation of not more than ten (10) feet in depth, the average of such front yards shall establish the front yard depth, buildings located entirely on the rear one-half of a lot shall not be counted.

SECTION 19:153 Side Yards: For buildings two and one-half (2½) stories or less, same as "R1" District. For buildings more than two and one-half (2½) stories in height, one (1) foot shall be added for each additional story from the third to the sixth inclusive.

SECTION 19:153.1 On corner lots the side yard regulation shall be the same as the "R1" District.

SECTION 19:153.2 For group dwellings or court apartments the required side yards shall be increased one (1) foot for each dwelling unit or portion thereof abutting such side yard, but said side yard need not exceed nine (9) feet. The average width of the court between the fronts of the buildings shall be not less than three (3) times the width of the side yard required in this provision; provided, however, that where a driveway is located in said court the width thereof shall be in addition to the width of such court.

SECTION 19:153.3 For group dwellings and court apartments the minimum distance between dwellings which side to one another shall be not less than ten (10) feet, and the minimum distance between dwellings in all other cases except where wider courts are required, shall be not less than twenty (20) feet. The front and rear yard requirements for lots in the district in which such dwellings are located shall also be complied with. The side yard for all uses listed in Sections 19:135 to 19:140, inclusive shall be twenty-five (25) feet.

SECTION 19:154 Rear Yard: There shall be a rear yard of not less than twenty percent (20%) of the depth of the lot but such rear yard need not exceed twenty (20) feet for interior lots nor fifteen (15) feet for corner lots.

SECTION 19:155 Lot Area: Every lot shall have a minimum average width of sixty (60) feet and a minimum area of six thousand (6000) square feet. Provided, that where a lot has a width of less than sixty feet or an area of less than six thousand (6000) square feet and was recorded under one ownership at the time this ordinance became effective, such lot may be occupied by any use permitted in this Section.

SECTION 19:155.1 The minimum area per dwelling unit, including required yard areas, shall be four hundred (400) square feet. Further, these regulations shall apply to a suite of two (2) or more guest rooms in a hotel or apartment hotel, but not to individual guest rooms in such buildings.

SECTION 19:156 "C1" NEIGHBORHOOD COMMERCIAL DISTRICT

SECTION 19:157 The following regulations shall apply in the "C1" Neighborhood Commercial District:

SECTION 19:158 USE: No building structure or land shall be used and no building or structure shall be hereafter erected, structurally altered or enlarged except for the following use:

SECTION 19:159 Any use permitted in the "R3" Multiple-family District.

Section 19:160 Automobile service station, if location is first approved by the Commission as provided in Section 19:338.

SECTION 19:161 Bakery.

SECTION 19:162 Barber shop or beauty parlor.

SECTION 19:163 Book or stationery store.

SECTION 19:164 Clothes cleaning agency or pressing establishment.

SECTION 19:165 Confectionery Store.

SECION 19:166 Custom dressmaking or millinery shop.

SECTION 19:167 Drug Store

SECTION 19:168 Dry goods or notions store.

SECTION 19:169 Florist or gift shop.

SECTION 19:170 Grocery, fruit, or vegetable store.

SECTION 19:171 Hardware or electric appliance store.

SECTION 19:172 Jewelry store

SECTION 19:173 Laundry agency or launderette.

SECTION 19:174 Meat market or delicatessen store.

SECTION 19:175 Office, business or professional.

SECTION 19:176 Photographer..

SECTION 19:177 Public parking area, when located and developed as required in Section 19:290.

SECTION 19:178 Restaurants, tea room or cafe excluding dancing and entertainment.

SECTION 19:179 Shoe store or shoe repair shop.

SECTION 19:180 Tailor, clothing or wearing apparel shop.

SECTION 19:181 Other use similar to the above, as provided for in Section 19:289.

SECTION 19:182 Uses customarily incident to any of the above uses and accessory buildings, when located on the same lot, including a storage garage for the exclusive use of the patrons of the above stores or businesses, providing such accessory buildings shall not be located nearer than five (5) feet to the main building nor nearer than ten (10 feet to the rear lot line or to the center line of an alley, if any.

SECTION 19:183 The above specified stores, shops or businesses shall be retail establishments selling new merchandise exclusively and shall be permitted only under the following conditions:

(a) Such stores, shops or businesses except automobile service stations shall be conducted wholly within an enclosed building.

(b) All products produced, whether primary or incidental, shall be sold at retail on the premises and not more than two (2) persons shall be engaged in such production or in the servicing of materials.

(c) Such uses, operation or product are not objectionable due to odor, dust, smoke, noise, vibration or other similar causes.

(d) Any exterior sign displayed shall pertain only to a use conducted within the building; shall be attached flat against a wall of the building and parallel with its horizontal dimension and shall front the principal street, a parking area in the rear, or in the case of a corner building on that portion of the side street within fifty (50) feet of the principal street. In no case shall a sign project above the roof line.

SECTION 19:184 AUTOMOBILE PARKING AND LOADING AREAS:
Parking space for dwellings and for buildings other than dwellings.

SECTION 19:185 For Single-family and Two-family dwellings, same as "R1". For Multiple dwellings, and buildings other than dwellings permitted in the "R" Districts, automobile parking space shall be provided in conformity with the requirements for the "R3" District.

SECTION 19:186 Parking Space for Commercial Buildings: For Commercial Buildings there shall be provided at least three (3) parking spaces for every two hundred fifty (250) square feet of gross floor area exclusive of floor area used for automobile parking space.

SECTION 19:187 Parking space as required above shall be on the same lot with the main building or structure or located not more than three hundred (300) feet therefrom. All parking areas shall be provided with adequate ingress and egress from a public street or approved right-of-way.

SECTION 19:188 Loading Area: Every hospital, institution, hotel and commercial building hereafter erected or established on a lot which abuts upon an alley shall have one (1) permanently maintained loading space of not less than ten (10 feet in width, thirty (30) feet in length and fourteen (14) feet in height, for each five thousand (5000) square feet of lot area upon which said building is located.

SECTION 19:189 The above parking and loading areas shall be improved as provided in Section 19:290.

SECTION 19:190 HEIGHT: No building or structure shall hereafter be erected to exceed two and one-half (2½) stories or thirty-five (35) feet in height.

SECTION 19:191 AREA: No building or structure nor the enlargement of any building or structure shall be hereafter erected unless the following yards and lot areas are provided and maintained in connection with such building, structure or enlargement:

SECTION 19:192 Front Yard: Same as required in the "R" District.

SECTION 19:193 Side Yards: Where the side of a lot in the "C1" District abuts upon the side of a lot in an "R" District there shall be a side yard of not less than ten per cent (10%) of the width of the lot, but such side yard need not exceed six (6) feet. In no case, however, shall a side yard be less than three (3) feet in width.

SECTION 19:193.1 Where a reversed corner lot rears upon the side of a lot in an "R" District, the side yard on the street side of the reversed corner lot shall be the same as required for "R1" District.

SECTION 19:193.2 Buildings hereafter erected and used exclusively for dwelling purposes shall comply with the side yard regulations of the "R1" District.

SECTION 19:194 Rear Yard: There shall be a rear yard of not less than ten percent (10%) of the depth of the lot but such rear yard need not exceed ten (10) feet.

SECTION 19:195 Lot Area: Buildings hereafter erected and used wholly or partly for dwelling purposes shall comply with the lot area requirements of the least restricted adjoining residential district.

SECTION 19:196 "C2" GENERAL COMMERCIAL DISTRICT

SECTION 19:197 The following regulations shall apply in the "C2" General Commercial District.

SECTION 19:198 USE: No building, structure or land shall be used and no building or structure shall be hereafter erected, structurally altered or enlarged, except for the following uses:

SECTION 19:199 Any use permitted in the "C1" Neighborhood Commercial District, except residential buildings; which may be allowed upon the securing of a use permit as provided in Section 19:338.

SECTION 19:200 Retail store or business.

SECTION 19:201 Amusement enterprises, including a billiard or pool hall, bowling alley, boxing arena, dance hall, games of skill and science, penny arcade, shooting gallery, and the like, if conducted wholly within a completely enclosed building.

SECTION 19:202 Art or Antique shop

SECTION 19:203 Auditorium

SECTION 19:204 Bank

SECTION 19:205 Baseball or football stadium.

SECTION 19:206 Baths, turkish and the like.

SECTION 19:207 Bird store, pet shop or taxidermist.

SECTION 19:208 Business college or private school operated as a commercial enterprise.

SECTION 19:209 Blueprinting, photostating, photo developing and printing.

SECTION 19:210 Carpenter shop (excluding cabinet shop or furniture manufacture), if conducted wholly within a completely enclosed building.

SECTION 19:211 Catering establishment.

SECTION 19:212 Circus or amusement enterprise of a similar type, transient in character.

SECTION 19:213 Cleaning establishment, using non-explosive and non-flammable cleaning fluid.

SECTION 19:214 Department, furniture or radio store.

SECTION 19:215 Drive-in business where persons are served in automobiles, such as a refreshment stand, restaurant, and the like.

SECTION 19:216 Feed or fuel store.

SECTION 19:217 Film exchange.

SECTION 19:218 Frozen food locker, excluding wholesale storage.

SECTION 19:219 Hospital, or sanitarium (except animal hospital).

SECTION 19:220 Ice storage house, not more than five (5) ton capacity.

SECTION 19:221 Interior decorating store.

SECTION 19:222 Laundry.

SECTION 19:223 Medical or dental clinic and laboratory.

SECTION 19:224 Music conservatory or music instruction.

SECTION 19:225 Newstand

SECTION 19:226 Nursery, flower or plant, provided that all incidental equipment and supplies, including fertilizer and empty cans, are kept within a building.

SECTION 19:227 Pawnshop.

SECTION 19:228 Plumbing or sheet metal shop, if conducted wholly within a completely enclosed building.

SECTION 19:229 Pony riding ring, without stable.

SECTION 19:230 Printing, lithographing or publishing.

SECTION 19:231 Public services, including electric distributing substation, fire or police station, telephone exchange and the like.

SECTION 19:232 Sign-painting shop, if conducted wholly within a completely enclosed building.

SECTION 19:234 Studio.

SECTION 19:235 Theatre

SECTION 19:236 Tire shop operated wholly within a building.

SECTION 19:237 Tourist court

SECTION 19:238 Trade school, if not objectionable due to noise, odor, vibration, or other similar causes.

SECTION 19:239 Upholstering shop, if conducted wholly within a completely enclosed building.

SECTION 19:240 Wedding chapel, rescue mission or temporary revival church.

SECTION 19:241 Wholesale merchandise broker, excluding wholesale storage.

SECTION 19:242 Other uses similar to the above as provided in Section 19:289.

SECTION 19:243 The following uses may also be permitted if their location is first approved by the commission, as provided for in Section 19:338: advertising sign or billboard, automobile service station, automobile and trailer sales area, mortuary or funeral home, trailer camp or public camp, animal hospital or public garage, including automobile repairing and incidental body and fender work, painting or upholstering, if all operations are conducted wholly within a completely enclosed building.

SECTION 19:244 Uses customarily incident to any of the above uses when located on the same lot.

SECTION 19:245 The above uses shall be permitted only under the following conditions.

(a) There shall be no manufacture, compounding, processing or treatment of products other than that which is clearly incidental and essential to a retail store or business and where all such products are sold at retail on the premises.

(b) There shall not be more than five (5) persons engaged in the manufacture, compounding, processing or treatment of products; or in catering, cleaning, laundering, plumbing, upholstering, and the like;

(c) Such uses, operations or products shall not be objectionable due to odor, dust, smoke, noise, vibration or other similar causes.

SECTION 19:246 Accessory building when located on the same lot.

SECTION 19:427 AUTOMOBILE PARKING AND LOADING AREA:

To be provided same as "C1" District; provided further, that there shall be a permanently maintained space having a gross area of not less than two hundred fifty (250) square feet for the following:

(a) For tourist courts, one (1) parking space for each individual sleeping or living unit; and

(b) For theaters, general auditoriums, stadiums and similar places of assembly, one (1) parking space for every ten (10) seats in said building.

SECTION 19:248 HEIGHT: No building or structure shall hereafter be erected to exceed six (6) stories or seventy-five (75) feet in height.

SECTION 19:249 AREA: No building or structure nor the enlargement of any building or structure shall be hereafter erected unless the following yards and lot areas are provided and maintained in connection with such building, structure or enlargement.

SECTION 19:250 FRONT YARD: Where all the frontage is located in the "C2" District no front yard shall be required. Where the frontage is located partly in the "C2" District and partly in the "R" District, the front yard requirement of the "R" District shall apply in the "C2" District.

SECTION 19:251 SIDE YARD: None.

SECTION 19:252 REAR YARDS: There shall be a rear yard of not less than ten percent (10%) of the depth of the lot, but such rear yard need not exceed ten (10) feet in depth.

SECTION 19:252.1 Buildings hereafter erected and used exclusively for dwelling purposes shall comply with the rear yard and parking regulations of the "R1" District.

SECTION 19:253 Lot Area: Building hereafter erected and used wholly or partly for dwelling purposes shall comply with the lot area requirements of the "R2" District; except that a tourist court, wherever permitted under the regulations of this ordinance shall have a lot area of not less than one thousand (1000) square feet for each individual sleeping or living unit.

SECTION 19:254 "M1" LIGHT INDUSTRIAL DISTRICT.

SECTION 19:255 The following regulations shall apply in the "M1" Limited Industrial District:

SECTION 19:256 USE: No building, structure or land shall be used and no building or structure shall be hereafter erected, structurally altered or enlarged except for the following uses:

SECTION 19:257 Any use permitted in the "C' Business District, except dwellings which may be allowed upon securing of a Use Permit as provided in Section 19:358.

SECTION 19:258 Uses to be conducted wholly within a completely enclosed building except for the onsite parking of delivery vehicles which are incidental thereto:

(a) The manufacture of pottery and figurines or other similar ceremic products, using only previously pulverized clay, and kilns fired only by electricity or gas.

(b) The manufacture and maintenance of electric and neon signs, billboards, commercial advertising structures, light sheet metal products, including heating and ventilating ducts and equipment, cornices, eaves and the like.

(c) Automobile assembling, painting, upholstering, rebuilding, reconditioning, body and fender works, truck repairing or overhauling, tire retreading or recapping, battery manufacturing and the like.

(d) Blacksmith shop and machine shop excluding punch presses over twenty (20) tons rated capacity, drop hammers, and automatic screw machines.

(e) Foundry casting lightweight non-ferrous metal not causing noxious fumes, noise or odors.

(f) Laundry, cleaning and dyeing works, and carpet and rug cleaning.

(g) Distribution plants, dairy products, ice and cold storage plant, bottling plant, and food commissary or catering establishment.

(h) Wholesale business, storage building and warehouse.

(i) Veterinary or dog or cat hospital, and kennel.

SECTION 19:259 Uses to be conducted wholly within a completely enclosed building or within an area enclosed on all sides with a solid wall, compact evergreen hedge or uniformly painted board fence, not less than six (6) feet in height:

(a) Building material sales including the sale of rock, sand, gravel and the like as an incidental part of the main business, but excluding concrete batching and mixing on the premises.

(b) Contractor's equipment storage yard or plant, or rental of equipment commonly used by contractors.

(c) Retail lumber yard, including only incidental mill work.

(d) Feed and fuel yard

(e) Draying, freighting or trucking yard or terminal.

(f) Public utility service yard of electrical receiving or transformer station.

(g) Small craft building, except shipbuilding.

SECTION 19:260 Other uses similar to the above, as provided for in Section 19:289.

SECTION 19:261 Uses customarily incident to any of the above uses and accessory buildings when located on the same lot and as permitted in Section 19:289.

SECTION 19:262 AUTOMOBILE PARKING AND LOADING AREAS:
To be provided as follows:

SECTION 19:263 For dwellings and buildings other than dwellings permitted in the "R" Districts—Same as "R3" District.

SECTION 19:264 For commercial buildings---Same as "C1" District.

SECTION 19:265 For industrial buildings having a floor area of five thousand (5000) square feet or more, in which there are more than five (5) employees, at least one (1) parking space for every two (2) such persons employed in said buildings.

SECTION 19:266 Parking space as required above shall be on the same lot with the main building or structure or located not more than one thousand (1000) feet therefrom.

SECTION 19:267 The above parking and loading areas shall be improved as provided in Section 19:290.

SECTION 19:268 HEIGHT: No building or structure shall hereafter be erected to exceed six (6) stories or seventy-five (75) feet in height.

SECTION 19:269 AREA: No building or structure nor the enlargement of any building or structure shall be hereafter erected unles the following yards and lot areas are provided and maintained in connection with such building, structure, or enlargement:

SECTION 19:270 FRONT YARD: None

SECTION 19:271 SIDE YARD: None.

SECTION 19:272 REAR YARD: No rear yard shall be required except where the "M1" District abuts upon an "R" District, in which case there shall be a rear yard of not less than ten (10 percent (10%) of the depth of such lot but such rear yard need not exceed ten (10) feet.

SECTION 19:272.1 Buildings hereafter erected and used exclusively for dwelling purposes shall comply with the rear yard regulations of the "R2" District.

SECTION 19:273 LOT AREA: Buildins hereafter erected and used wholly or partly for dwelling purposes shall comply with the lot area requirements of the "R2" District.

SECTION 19:274 "M2" HEAVY INDUSTRIAL DISTRICT.

SECTION 19:275 The following regulations shall apply in the "M2" Heavy Industrial District:

SECTION 19:276 USE: No building, structure or land shall be used and no building or structure shall be hereafter erected, structurally altered or enlarged except for the following uses:

SECTION 19:277 Any use permitted in the "M1" District, within or without a building or an enclosed area, except dwellings which my be allowed upon securing of a Use Permit, as provided in Section 19:358.

SECTION 19:278 Any other use or uses which are or may bebome obnoxious or offensive by reason of the emission of odor, dust, smoke, noise, gas, fumes, cinders, vibration, refuse matter, or water carried waste, as determined by the Planning Commission.

SECTION 19:279 Uses customarily incident to any of the above uses and accessory buldings when located on the same lot.

SECTION 19:280 AUTOMOBILE PARKING AND LOADING AREAS: To be provided in and same as the "M1" District.

SECTION 19:281 HEIGHT: Same as required in an "M1" District.

SECTION 19:282 AREA: No building or structure nor the enlargement of any building or structure shall be hereafter erected unless the following yards and lot areas are provided and maintained in connection with such building, structure or enlargement.

SECTION 19:283 FRONT YARD: Not required.

SECTION 19:284 SIDE YARD: Not required.

SECTION 19:284.1 Buildings hereafter erected and used exclucively for dwelling purposes shall comply with the side yard regulations of the "R2" District.

SECTION 19:285 REAR YARD: Same as required in "M1" District.

SECTION 19:285.1 Buildings hereafter erected and used exclusively for dwelling purposes shall comply with the rear yard regulations of the "R3" District.

SECTION 19:286 LOT AREA: Building hereafter erected and used wholly or partly for dwelling purposes shall comply with the lot area requirements of the "R3" District.

SECTION 19:287 S--SPECIAL

(Continued on Page 13)

Legal Notice

ORDINANCE NO. 43

(Continued from Page 12)

ZONING AREA---

The following regulations shall apply in all districts with which are combined "S" Districts, in addition to the regulations hereinbefore specified therefor; provided, however, that if any of the regulations specified in this section differ from any of the corresponding regulations specified in this Ordinance for any district with which is combined an "S" district, then in such case the provisions of this section shall govern.

No building permit shall be issued for any use in a district which is combined with an "S" district unless:

(a) All buildings, layout and landscaping plans, including all signs shall have been submitted to and approved by the Planning Commission.

(b) Off-street parking space for automobiles is provided in accordance with the standards established for each District by this Ordinance.

(c) Loading spaces for the loading and unloading of goods shall be provided as required by this ordinance.

(d) The Planning Commission may require such additional requirements in connection with off-street parking areas as will protect the character of other property in the neighborhood. Such regulations may include, but are not limited to: adequate screening of said lot by a fence or wall; landscaping; provision for suitable surfacing, and lighting.

(e) In establishing any district which is combined with an "S" district the Planning Commission may specify such building line setbacks, yard regulations, area regulations and building height limitations as are consisistent with the use to which the property is to be pt, and which will protect the general character of the neighborhood.

CHAPTER TWO PART ONE
GENERAL PROVISIONS

SECTION 19:288 USE: Conformance and Permits Required: No building or structure shall be erected, reconstructed, structurally altered, enlarged, moved, or maintained, nor shall any building, structure or land be used or designed to be used for any use other than is permitted in the district in which such building, structure or land is located and then only after applying for and securing all permits and licenses required by all laws and ordinances.

SECTION 19:289 Other uses Permitted by Commission: Where the term "other uses similar to the above" is mentioned, it shall be deemed to mean other uses which, in the judgement of the Commission as evidenced by a written decision, are similar to the uses listed in the same section and are not more objectionable to the general welfare. "Other Uses" so determined by the Commission shall be regarded as listed uses. In no instance, however, shall these regulations be so interpreted to permit a use in a district when such use is specifically listed and permitted in a less restricted district: i. e., a use specifically set forth in the "C2" District shall not be permitted in the "C1" District.

SECTION 19:290 Improvement of Parking Areas---Auto Sales Areas and Loading Areas: Every parcel of land hereafter used as a private or public parking area, automobile and trailer sales area, or loading area, shall be improved as follows:

(a) Private Parking Area or Loading Area---Such area shall be paved with asphaltic concrete, Portland cement concrete, or bitulithic surfacing and shall have appropriate bumper guards where neede.

(b) Public Parking Area: Automobile and Trailer Sales Area:

1. Such area shall be paved with asphaltic concrete, Portland cement concrete or bitulitchic surfacing; shall have appropriate bumper guards where needed, and shall be properly enclosed with an ornamental fence, wall, or compact evergreen hedge, having a height of not less than two (2) feet and maintained at a height of not more than six (6) feet. Such fence, wall or hedge shall be maintained in good condition and observe the required front yard, and required side yard along the street side of a corner lot for the district in which it is located and such front and side yard shall be landscaped with evergreen ground cover and properly maintained.

2. Where such area adjoins the side of a lot in an "R" District, a six (6 foot masonry wall shall be erected and maintained at least five (5) feet from the side of such lot and suitable landscaping shall be planted and maintained in the space between the parking lot wall and the adjoining property. Provided, however, that such wall shall not extend into the front yard required on the lot on which it is located; and provided further that a wall of equal material may be used if approved by the Planning Commission.

3. Any lights used to illuminate said parking areas shall be so arranged as to reflect the light away from the adjoining premises in an "R" District.

4. Every parking are required under this ordinance shall be provided with adequate ingress and egress from a public street or approved right-of-way.

SECTION 19:291 Zoning of Annexed Areas: Any area annexed to the city after the effective date of this ordinance shall, immediately upon such annexation, be automatically classified as an "R1" District until a zoning plan for said area has been adopted by the City Council. The Commission shall recommend to the City Council appropriate zoning for such area within three (3) months after an application for change is made to the Commission.

SECTION 19:292 HEIGHT: Height Confermance---Except as hereinafter provided, no building or structure shall hereafter be erected or reconstructed which exceeds the height limit established for the district wherein such building or structure is located.

SECTION 19:293 AREA: Area requirements---Except as hereinafter provided, no building or structure shall be hereafter erected or located on a lot unless such building,structure or enlargement conforms with the area regulations of the district in which it is located.

SECTION 19:294 No parcel of land held under separate ownership at the time time this ordinance became effective, shall be reduced in any manner below the minimum lot width and lot area required by this ordinance.

SECTION 19:295 No lot area shall be so reduced or diminshed that the yards or other open spaces shall be smaller than prescribed by this ordinance, nor shall the occupancy be increased in any manner except in conformity with the regulations herein established.

SETCION 19:296 No required yard or other open space around an existing building, or which is hereafter provided around any building for the purpose of complying with the provisions of this ordinance, shall be considered as providing a yard or open space for any other building; nor shall any yard or other required open space on an adjoining lot be considered as providing a yard or open space on a lot whereon a building is to be erected.

SECTION 19:297 Every building hereafter erected shall be located on a lot as herein defined. In no case shall there be more than one (1) main residential building and its accessory buildings on one (1) lot. Group dwellings, court apartments and semi-detached dwellings shall be considered as one (1) main residential building on one lot.

SECTION 19:298 No parking area, parking space or loading space which existed at the time this ordinance became effective or which subsequent thereto is provided for the purpose of complying with the provisions of this ordinance, shall thereafter be reinquished or reduced in any manner below the requirements established in this section, unless equivalent facilities are provided elsewhere.

SECTION 19:299 No building building permit shall be issued for a building or structure on a lot which abuts a street dedicated to a portion of its required width and located on that side thereof from which no dedication was secured, unless the yards provided on such lot include both that portion of the lot lying within the future street and the required yards.

SECTION 19:300 No building permit shall be issued for a building or structure on a corner lot when such building or structure is to be orientated in such a manner as to reduce the front yard requirement on the street on which such corner lot had its frontage at the time this ordinance became effective.

SECTION 19:301 Every required front, side and rear yard shall be open and unobstructed from the ground to the sky.

SECTION 19:302 At each end of a through lot there shall be a front yard of the depth required by this ordinance for the district in which each street frontage is located; provided, however, that one of such front yards may serve as a required rear yard.

SECTION 19:303 EXCEPTIONS

SECTION 19:304 USE

SECTION 19:305 See Non-conforming Uses, Section 324.

SECTION 19:306 HEIGHT:

SECTION 19:307 Through Lot 150 Feet or Less in Depth: On a through lot one hundred fifty (150) feet or less in depth, the height of a building may be measured from the adjoining curb level on either street.

SECTION 19:308 Through Lot More Than 150 Feet in Depth: On a through lot more than one hundred fifty (150) feet in depth, the height regulation and basis of height measurement for the street permitting the greater height shall apply to a depth of not more than one hundred fifty (150) feet from that street.

SECTION 19:309 Structures Permitted Above Height Limit: Penthouses or roof structures for the housing of elevators, stairways, tanks, ventilating fans or similar equipment required to operate and maintain the building. Parapet walls, skylights, towers, process towers and columns, including appurtenant working structures, steeples, roofsigns, flagpoles, chimneys, smokestacks, wireless masts, water tanks, gas tanks, silos, or simillar structures may be erected above the height limits herein prescribed, but no penthouse or roof structure, or any space above the height limit shall be allowed for the purpose of providing additional floor space.

SECTION 19:310 AREA

SECTION 19:311 Yard Regulations Modified: Where the yard regulations cannot reasonably be complied with or their application determined on lots of peculiar shape or location or on hillside lots, such regulations may be modified or determined by the Commission as provided for in Section 19:359.

SECTION 19:312 Front Yard--Between Projecting Buildings: Where a lot is situated between two lots, each of which has a main building (within twenty-five (25) feet of its side lot lines) which projects beyond the established front yardline and has been so maintained since this ordinance became effective, the front yard requirement on such lot may be the average of the front yards of said existing buildings.

SECTION 19:313 Front Yard--Adjoining Projecting Buildings: Where a lot adjoins only one lot having a main building (within twenty-five (25) feet of its side lot lines), which projects beyond the established front yard line and has been so maintained since this may be the average of the front yard of said existing building and the established front yard line.

SECTION 19:314 Front Yard--Sloping Lot ---Where the elevation of the ground at a point fifty (50) feet from the front line of a lot and midway between the side lines, differs ten (10) feet or more from the curb level, or where the slope (measured in the general direction of the side lot lines) is twenty percent (20%) or more or at least one quarter (¼) of the depth of the lot, the front yard need not exceed fifty percent (50%) of that required in the district.

SECTION 19:315 Front and Side Yards Waived--Dwelling over Store: The front and side yards shall be waived for dwellings, hotels and boarding or lodging houses, erected above the ground floor of a building when said ground floor is designed exclusively for commercial or industrial purposes.

SECTION 19:316 Front and Side Yards Varied--Unit Development: Where an entire frontage on both sides of a street or streets in an "R1" District is designed and developed as a unit, the following provision shall apply:

(a) the front yard requirement may be varied by not more than five (5) feet in either direction (i. e. from twenty (20) to thirty (30) feet in the case of a required front yard or twenty-five (25) feet) provided the average front yard for the entire frontage is not less than the minimum front yard required in the district; and

(b) the side yard requirements may also be varied, provided that the total combined width of the two side yards on a lot is not less than that required for lots in the district, that no side yard shall be less than four (4) feet, and that the minimum distance between the sides of buildings shall not be less than twelve (12) feet.

SECTION 19:317 Side Yard Waived---Semi-detached Dwellings, Etc.: For the purpose of side yard regulations, the following dwellings with common party walls shall be considered as one (1) building occupying one (1) lot: semi-detached two and four-family dwellings, row dwellings, group dwellings and court apartments.

SECTION 19:318 Rear Yard---Includes One-half Alley: In computing the depth of a rear yard where such yard opens onto an alley, one-half (½) the width of such alley may be assumed to be a portion of the required rear yard.

SECTION 19:319 Rear Yard---Includes Loading Space: A required loading space may occupy a required rear yard or any part thereof.

SECTION 19:320 Additional Dwelling---Large Lot: Where a lot has an area equivalent to two (2) or more times that required by this ordinance, but without sufficient required frontage for two (2) or more lots, a dwelling shall be permitted on both the front and rear portions of said lot, provided:

(a) that all height and area requirements, except lot width are complied with;

(b) that a strip of land thirty (30) feet wide adjacent to and measured at right angles from the rear lot line, is reserved for future access in addition to the required rear yard; and

(c) that a strip of land at least fifteen (15 feet wide, measured at right angles to either side lot line and extending from the street line t the rear portion of the lot, is reserved as a means of access thereto.

SECTION 19:321 Lot Area---Includes One-half Alley: In computing the lot area of a lot which rears upon an alley, one-half (½) the width of such alley may be assumed to be a portion of the lot.

SECTION 19:322 Through lot --May be Two Lots: Where a through lot has a depth of one hundred fifty (150) feet or more, said lot may be assumed to be two lots with the rear lines of each approximately equidistant from the front lot lines, provided all area requirements are complied with. An accessory building shall not project beyond the front yard line of an existing main building along the frontage, except that such accessory building need not be located more than tweny-five (25) feet from the street line.

SECTION 19:323 Projections Allowed Into Yards

(a) A porte cochere may be permitted over a driveway in a side yard, provided such structure is not more than one (1) story in height and twenty-four (24) feet in length and not closer than two (2) feet from the side lot line, and is entirely open on at least three (3) sides, except for the necessary supporting columns and customary architectural features.

(b) Cornices, eaves, belt courses, sills, canopies or other similar architectural features (not including bay windows or vertical projections), may extend or project into a required sideyard not more than twenty-four (24) inches and may extend or project into a required front or rear yard not more than thirty (30) inches. Chimneys may also project into a required front, side or rear yard not more than eighteen (18) inches.

(c) Open, unenclosed fire escapes may extend or project into any front, side or rear yard not more than four (4) feet.
ordinance became effective, the front yard requirement on such lot

(d) Open unenclosed stairways, or balconies, not covered by a roof or canopy, may extend or project into a required rear yard not more than four (4) feet, and such balconies may extend into a required front yard not more than thirty (30) inches.

(e) Open, unenclosed porches, platforms or landing places, not covered by a roof or canopy, which do not extend above the level of the first floor of the building, may extend or project into any front, side or rear yard or into any court not more than six (6) feet; but in no case shall the projection into a court exceed a distance of more than twenty (20) percent of the width of such court.

(f) Open ornamental fences, hedges, landscape architectural features or guard railings for safety protection around depressed ramps, may be located in any front, side or rear yard if maintained at a height of not more than three and one-half (3½) feet above the average ground level adjacent thereto. Provided, further, that an openwork type railing not more than three and one-half (3½) feet is height may be installed or constructed on any balcony, stairway, porch, platform or landing place mentioned above in subparagraphs (d) and (e).

(g) A fence, lattice-work screen or wall, not more than six (6) feet in height, or a hedge or thick growth of shrubs or trees, maintained so as not to exceed six (6) feet in height, may be located in any required side or rear yard, in the "R" Districts, provided that they do not extend into the required front yard nor into the side yard required along the side street on a corner lot, which in this case shall also include that portion of the rear yard abutting the intersecting street wherein accessory buildings are prohibited. Provided, further, that this provision shall not be so interpreted as to prohibit the erection of an open mesh type fence enclosing an elementary or secondary school site.

(h) Landscape features, such as trees, shrubs, flowers or plants, shall be permitted in any required front, side or rear yard provided they do not produce a hedge effect contrary to the provisions of subparagraph (f) above.

(i) Name plates, bulletin boards or signs appertaining to the prospective sale, lease or rental of the premises on which they are located, as permitted in this ordinance, shall be allowed in any required front, side or rear yard.

(j) The above structures or features, however, shall not be located and maintained so as to preclude complete access at all times about a main building. Provided, that gates or other suitable openings at least two and one-half (2½) feet in width shall be deemed adequate for such access.

SECTION 19:324 NON-CONFORMING BUILDINGS AND USES.

SECTION 19:325 Maintenance permitted: A non-conforming building or structure may be maintained, except as otherwise provided in this Section.

SECTION 19:326 Repairs—Alterations: Repairs and alterations may be made to a nonconforming building or structure, provided that no structural alterations shall be made except those required by law or ordinance.

SECTION 19:327 Additions—Enlargements—Moving.

(a) A non-conforming building building or structure shall not be added to or enlarged in any manner unless such building or structure, including such additions and enlargements, is made to conform to all the regulations of the district in which it is located.

(b) A building or structure whick does not comply with the height or area regulations shall not be added to or enlarged in any manner unless such addition or enlargement conforms to all the regulations of the district in which it is located.

(c) A building or structure lacking sufficient automobile parking space in connection therewith may be altered or enlarged provided the required additional automobile parking space is supplied.

(d) No non-conforming building or structure shall be moved in whole or in part to any other location on the lot unless every partion of such building or structure is made to conform to all regulations of the district in which it is located.

SECTION 19:328 Restoration Damaged Buildings: A non-conforming building or structure which is damaged or partially destroyed by fire, flood, wind, earthquake, or other calamity or act of God or the public enemy, to the extent of not more than seventy-five (75) percent of its true value at that time, may be restored and the occupancy or use of such building, structure or part thereof, which existed at the time of such partial destruction, may be continued or resumed, provided the total cost of such restoration does not exceed seventy-five (75) percent of the true value of the building or structure at the time of such damage and that such restoration is started within a period of one (1) year and is diligently prosecuted to completion. In the event such damage or destruction exceeds seventy-five (75) percent of the true value of such non-conforming building or structure, no repairs or reconstruction shall be made unless every portion of such building or structure is made to conform to all regulations for new buildings in the district in which it is located. For the purposes of this ordinance, true value shall be assumed to be twice the assessed valuation as shown on the City of Campbell Assessment Roll for the current year.

SECTION 19:329 One Year Vacancy: A non-conforming building, or structure or portion thereof, which is or hereafter becomes vacant and remains unoccupied for a continuous period of one (1) year shall not thereafter be occupied except by the use which conforms to the use regulations of the district in which it is located.

SECTION 19:330 NON-CONFORMING USE OF BUILDINGS.

SECTION 19:331 Continuation and Change of Use: Except as otherwise provided in this section.

(a) The non-conforming use of a building or structure, existing at the time this ordinance became effective, may be continued:

(b) the use of a non-conforming building or structure may be changed to a use of the same or more restricted classification, but where the use of a non-conforming building or structure is hereafter changed to a use of a more restricted classification it shall not thereafter be changed to a use of a less restricted classification; and

(c) a vacant non-conforming building may be occupied by a use for which the building was designed or intended if so occupied within a period of one (1) year after the effective date of this ordinance, or within a period of one (1) year after the building becomes vacant.

SECTION 19:332 Expansion Prohibited—Discontinuance: A non-conforming use of a conforming building or structure (i. e., commercial use in a dwelling, etc.) shall not be expanded or extended into any other portion of such conforming building or structure nor changed except to a conforming use. If such a non-conforming use or portion thereof is discontinued or changed to a conforming use, any future use of such building, structure, or portion thereof shall be in conformity with the regulations of the district in which such building or structure is located.

SECTION 19:333 NON-CONFORMING USE OF LAND

SECTION 19:334 Continuation of Use: The non-conforming use of land (where no main building is involved), existing at the time this ordinance became effective, may be continued for a period of not more than five (5) years therefrom, provided:

(a) That no such non-conforming use of land shall in any way be expanded or extended either on the same or adjoining property.

(b) That if such non-conforming use of land or any portion thereof is discontinued or changed, any future use of land shall be in conformity with the provisions of this ordinance.

(c) That any sign, billboard, commercial advertising structure, or statuary, which is lawfully existing and maintained at the time this ordinance became effective, may be continued, although such use does not conform with the provisions hereof; provided, however, that no structural alterations are made thereto and provided, further, that all such non-conforming signs, billboards, commercial advertising structures and statuary, and their supporting members, shall be completely removed from the premises not later than five (5) years from the effective date of this ordinance.

SECTION 19:335 NON-CONFORMING DUE TO CLASSIFICATION

SECTION 19:336 The foregoing provisions of this section shall also apply to buildings, structures, land, or uses which hereafter become non-conforming due to any reclassification of districts under this ordinance or any subsequent change in the regulations of this ordinance; provided, however, that where a period of years is specified in this section for the removal of non-conforming buildings, structures, or uses, said period shall be computed from the date of such reclassification or change.

SECTION 19:337 CONDITIONAL USES PERMITTED BY COMMISSION

SECTION 19:338 LOCATION OF PERMITTED USES: Wherever it is stated in this ordinance that the following uses may be permitted in a district if their location is first approved by the Commission, said uses are deemed to be a part of the Comprehensive Master Plan or its objectives and shall conform thereto. Before the Commission makes its final determination, it shall hold a public hearing. Such uses include the following:

SECTION 19:339 Schools, elementary and high; churches; parks; playgrounds, community centers, golf courses, automobile service stations, mortuaries, funeral homes, trailer camps, public camps and animal hospitals.

SECTION 19:340 ADDITIONAL USES PERMITTED: The Commission may, after a public hearing, permit the following uses in districts from which they are prohibited by this ordinance where such uses are deemed essential or desirable to the public convenience or welfare, and are in harmany with the various elements or objectives of the Comprehensive Master Plan.

SECTION 19:341 Airport or aircraft landing field

SECTION 19:342 Cemetery

SECTION 19:343 Columbarium, crematory or mausoleum.

SECTION 19:344 Development of natural resources (excluding the drilling for or producing of oil, gas or other hydrocarbon substances) together with the necessary buildings, apparatus or appurtenances incident thereto.

SECTION 19:345 Educational institution.

SECTION 19:346 Government enterprises (Federal, State and Local).

SECTION 19:347 Hospital or sanitarium.

SECTION 19:348 Library or museum, public.

SECTION 19:349 Nursery or greenhouse.

SECTION 19:350 Park, playground, or recreational or community center.

SECTION 19:351 Philanthropic or correctional institution.

SECTION 19:352 Private club, fraternity or sorority house.

SECTION 19:353 Public utility and public service use or structure.

SECTION 19:354 Radio or television transmitter.

SECTION 19:355 Trailer camp or tourist court, on any property having frontage on a Federal or State Highway Route.

SECTION 19:356 Large scale neighborhood housing projects having a minimum gross area of twenty (20) acres provided:

(a) that the lot area per dwelling unit complies with the requirements of the district in which the project is located.

(b) That the character of development of the lots on the border of said project harmonizes with that on the surrounding lots or property;

(c) that all yards on the lots on the border of said project conform to the regulations of the district in which the property is located; and

(d) that the minimum distances between the main buildings within the side area (excluding lots on the border), shall be as follows:

(1) front to front, front to rear, or rear to rear—two (2) times the height of the taller building, but not less than seventy (70) feet;

(2) side to side—one-half (½) the height of the taller building, but not less than ten (10) feet;

(3) front to side or rear to side— (1) times the height of the taller building, but not less than fifty (50) feet.

SECTION 19:357 PROCEDURE: Written applications for the approval of the uses referred to in Sections 19:337 to 19:356 shall be filed in the office of the City Clerk upon forms prescribed for that purpose by the Commission. A fee of Fifteen Dollars ($15.00) shall be paid upon the filing of each application for a special use permit.

The Procedure for holding public hearings shall be the same as that required in Sections 19:393 to Section 19:397 inclusive.

The Commission shall make its findings and determination in writing within forty (40) days from the date of filing of an application and shall forthwith transmit copy thereof to the applicant. No decision of the Commission under Sections 19:337 to 19:356 shall become effective until after an elapsed period of ten (10) days from the date of the written determination is made, during which time the applicant, or any other person aggrieved, may appeal therefrom to the City Council in the same manner as provided for in Section 19:398.

In approving the uses referred to in Sections 19:337 to 19:356 the Commission shall have authority to impose such conditions as it deems necessary to protect the best interests of the surrounding property of the neighborhood and the Comprehensive Plan.

SECTION 19:358 VARIANCES

SECTION 19:359 AUTHORITY OF COMMISSION: Whenever there is any question regarding the interpretation of this ordinance, or its application to any specific case or situation, the Commission shall interpret the intent of this ordinance by written decision and such interpretation shall be followed in applying said provisions. Where practical difficulties or unnecessary hardships, inconsistent with the general purposes of this ordinance may result from the strict and literal interpretation and enforcement of the provisions thereof, the Commission, upon receipt of a verified application from the owner of the property affected, stating fully the grounds of the application and facts relied upon, shall have authority to grant, upon such conditions and safeguards as it may determine, such variances therefrom as may be in harmony with their general purpose and intent. so that the spirit of this ordinance shall be observed, public safety and welfare secured, and substantial justict done, including the following:

SECTION 19:360 Permit in the "R" Districts, public parking areas or storage garages adjacent to any existing or proposed use in the multiple dwelling, commercial or industrial districts.

SECTION 19:361 Permit the modification of the automobile parking space or loading space requirements where, in the particular instance such modification will not be inconsistent with the purpose and intent of such requiremens; or permit the waiver of the requirement that automobile parking space be provided on the same lot with a dwelling, if other suitable and convenient parking space is available within or without a building.

S7ECTION 19:362 Permit the addition or enlargement of a non-conforming building or structure, provided such addition or enlargement complies with all height and area regulations of the district in which it is located and that the total aggregate floor area included in all such separate addition or enlargement does not exceed fifty (50) percent of the floor area contained in said building or structure. Provided, further, that no such addition or enlargement shall be permitted which tends to prolong the life of the original building or structure.

SECTION 19:363 Permit in districts limiting the height to two and one-half (2½) stories, thirty-five (35) feet, or three (3) stories, forty-five (45) feet, schools, hospitals, sanitariums, institutions, churches and other similar uses allowed under the use regulations of this ordinance, to be erected to a height not exceeding six (6) stories or seventy-five (75) feet, provided, that the front and side yard requirements for such buildings in the "R3" District are complied with.

SECTION 19:364 Permit the use of a non-conforming building or portion thereof, which has been vacant or unoccupied for a continuous period of one year, but not more than three (3) years, for a use other than that permitted in the district in which such non-conforming building is located.

SECTION 19:365 Permit a less restricted use in a more restricted district as follows: any "C" District use in any other "C" District and "M1" Use in the "C2" District; any "M2" use in an "M1" District; provided such use, due to its limited nature, modern devices, or building design, will be no more objectionable than the uses permitted in such district.

SECTION 19:366 Permit such modification of the height and area

(Continued on Page 14)

Legal Notice

ORDINANCE NO. 43

(Continued from Page 13)

regulations as may be necessary to secure an appropriate improvement of a lot which is of such shape, or so located with relation to surrounding development or physicial characteristics, that it cannot otherwise be appropriately improved without such modification.

SECTION 19:367 Permit temporary buildings and uses for periods of not to exceed two (2) years in undeveloped sections of the city, and for periods of not to exceed six months (6) in developed sections.

SECTION 19:368 Permit the reduction in the lot width requirements.

SECTION 19:369 Permit in newly annexed areas a variation in the interim "R1" District regulation prior to the adoption of a zoning plan as provided in Section 19:291.

SECTION 19:270 Procedure: Written applications for the approval of variances referred to in this section shall be filed in the Office of the City Clerk upon forms prescribed for that purpose by the Commission. A fee of Fifteen dollars ($15.00) shall be paid upon the filing of each application for a variance.

The procedure for holding public hearings shall be the same as that required in Sections 19:393 to 19:397 inclusive.

The Commission shall make its findings and determination in writing within forty (40) days from the date of filing of an application and shall forthwith transmit a copy thereof to the applicant. No decision of the Commission under Sections 19:358 to 19:369 shall become effective until after an elapsed period of ten (10) days from the date the written determination is made, during which time the applicant or any other person aggrieved, may appeal thereform to the City Council, as provided in Section 19:398.

In approving the uses referred to in Sections 19:358 to 19:369 the Commission shall have authority to impose such conditions as it deems necessary to protect the best interests of the surrounding property or neighborhood and the Comprehensive Master Plan.

SECTION 19:373 CERTIFICATE OF OCCUPANCY.

SECTION 19:374 No vacant land shall be occupied or used until a Certificate of Occupancy shall have been issued by the Building Inspector.

SECTION 19:375 CERTIFICATE OF OCCUPANCY FOR A BUILDING:

Certificate of Occupancy for a new building or the enlargement or alteration of an existing building shall be applied for coincident with the application for a building permit, said certificate shall be issued after the request for same shall have been made in writing to the Building Inspector after the erection or alteration of such building or part thereof shall have been completed in conformity with the provisions of these regulations. Pending the issuance of a regular certificate, a Temporary Certificate of Occupancy may be issued by the Building Inspector for a period not exceeding six (6) month, during the completion of alterations or during partial occupancy of a building pending its completion. Such temporary certificate shall not be construed as in any way altering the respective rights, duties, or obligations of the owners or of the City relating to the use or occupancy of the premists or any other matter covered by this ordinance, and such temporary certificate shall not be issued except under such restrictions and provisions as will adequately insure the safety of the occupants.

SECTION 19:376 CERTIFICATE OF OCCUPANCY FOR LAND:

Certificate of Occupancy for the use of vacant land or the change in the character of the use of land as herein provided, shall be applied for before any such land shall be occupied or used for any purpose except that of tilling the soil and growing therein of farm, garden or orchard products, and a Certificate of Occupancy shall be issued after the application has been made, provided such use is in conformity with the provisions of these regulations.

SECTION 19:377 CERTIFICATE OF OCCUPANCY—CONTENTS FILING-FEE:

Certificate of Occupancy shall state that the building or proposed use of a building or land complies with all laws and ordinances and with the provisions of these regulations. A record of all certificates shall be kept on file in the office of the Building Inspector and copies shall be furnished, on request, to any person having a proprietary or tenancy interest in the building or the land affected. A fee of one dollar ($1.00) shall be charged for each extra copy of a Certificate of Occupancy, issued after the original has been furnished the owner or his agent.

SECTION 19:378 SITE PLANS

SECTION 19:379 All applications for a Certificate of Occupancy shall be made on a printed form to be furnished by the Building Inspector and shall contain accurate information and dimensions as to the size and location of the lot: the size and location of the building or structure on the lot; the dimensions of all yards and open spaces; and such other information as may be necessary to provide for the enforcement of these regulations. Where complete and accurate information is not readily availabe from existing records, the Building Inspector may require the applicant to furnish a survey of the lot prepared by a licensed surveyor. A careful record of the original copy of such applications and site plans shall be kept in the office of the Building Inspector and the duplicate copy shall be kept at any building under construction at all times during construction thereof.

SECTION 19:380 BOUNDARIES OF DISTRICTS

SECTION 19:381 Where uncertainty exists with respect to the boundaries of the various districts as shown on the district map accompanying and made a part of this ordinance, the following rules shall apply:

SECTION 19:382 Streets and Alleys: The District boundaries are either streets or alleys, unless otherwise shown, and where the indicated boundaries on said district map are approximately street or alley lines, said streets or alleys shall be construed to be the boundaries of such district.

SECTION 19:383 Lot Lines: Where the district boundaries are not shown to be streets or alleys, and where the property has been or may hereafter be divided into blocks and lots, the district boundaries shall be construed to be lot lines; and where the indicated boundaries on the district map are approximately lot lines, said lot lines shall be construed to be the boundaries of each district, unless said boundaries are otherwise indicated on the map.

SECTION 19:384 Scale of Map: Determination by Commission: Where the property is indicated on the district map as acreage and not subdivided into lots and blocks or where the district boundary lines are not approximately street, alley or lot lines, the district boundary lines on the district map shall be determined by the scale contained on such map, and where uncertainty exists, the district boundary line shall be determined by the Commission by written decision. In the event property which is shown as acreage on the district map has been or is subsequently subdivided into lots and blocks by a duly recorded subdivision map and the lot and block arrangement does not conform to that anticipated when the district boundaries were established, or property is resubdivided by a duly recorded subdivision map into different arrangement of lots and blocks than shown on the district map, the Commission, after notice to the owners of property affected thereby and hearing, may interpret the district map and make minor readjustments in the district boundaries in such a way as to carry out the intent and purposes of these regulations and conform to the street and lot layout on the ground. Such interpretations or adjustments shall be by written decision, and thereafter the copies of the district map shall be changed to conform thereto.

SECTION 19:385 Symbol for District: Where one symbol is used on the district map to indicate the district classification of an area divided by an alley or alleys, said symbol shall establish the classification of the whole of such area.

SECTION 19:386 Street or Right-of-Way—Allocation or Division: A street, alley, railroad or railway right-of-way, watercourse, channel or body of water, included on the district map shall, unless otherwise indicated, be included within the district of adjoining property on either side thereof; and where such street, alley, right-of-way, watercourse, channel or body of water serves as a boundary between two or more different districts, a line midway in such street, alley, right-of-way, watercourse, channel or body of water, and extending in the general direction of the long dimension thereof shall be considered the boundary between districts.

SECTION 19:387 Vacated Street or Alley: In the event a dedicated street or alley shown on the district map is vacated by ordinance, the property formerly in said street or alley shall be included within the district of the adjoining property on either side of the said vacated street or alley. In the event said street or alley was a district boundary between two or more different districts, the new district boundary shall be the former center line of said vacated street or alley.

CHAPTER THREE PART ONE INTERPRETATION -- PURPOSE AND CONFLICT

SECTION 19:388 In interpreting and applying the provisions of this ordinance they shall be held to the minimum requirements for the promotion of the public health, safety, comfort, convenience and general welfare. It is not intended by this ordinance to interfere with or abrogate or annul any easement, covenant or other agreement between parties. Where this ordinance imposes a greater restriction upon the use of buildings or land, or upon the height of buildings, or requires larger open spaces than are imposed or required by other ordinances, rules, regulations, or by easements, covenants or agreements, the provisions of this ordinance shall control.

CHAPTER THREE PART TWO CHANGES AND AMENDMENTS

SECTION 19:389 Procedure for Change: Whenever the public necessity, convenience, general welfare or good zoning practice require, the City Council may by ordinance, after report thereon by the commission and subject to the procedure provided in this section, amend, supplement or change the regulations, district boundaries, or classifications of property, now or hereafter established by this Ordinance. An amendment, supplement, reclassification or change may be initiated by resolution of the Commission or the City Council or by a verified application of the owners of fifty (50) percent more of the area of all the property within a radius of two hundred (200) feet of the area proposed to be changed.

SECTION 19:390 Applications for Change—Form and Contents: Applications for any change of district boundaries or reclassification of districts as shown on the zoning map, shall be filed with the City Clerk upon forms and accompanied by such data and information as may be prescribed for that purpose by the Commission so as to assure the fullest practicable presentation of fact for the permanent record.

SECTION 19:391 Each such application shall be verified by at least one of the owners of property within the area proposed to be changed, attesting to the truth and correctness of all facts and information presented with the application.

SECTION 19:392 A fee of FIFTY ($50.00) Dollars shall be paid upon the filing of each application for change of district classification for the purpose of defraying the costs of the proceedings prescribed herein. A written receipt shall be issued to the persons making such payment and records thereof shall be kept in such manner as prescribed by law.

SECTION 19:393 Hearing Date —Notice: Upon the filing of such application or the adoption of such application or the adoption of such resolution by the Commission or City Council, the Commission shall set the time and place and shall hold two public hearings not less than 15 days apart.

SECTION 19:394 Notice of the time and place of each public hearing shall be given by one publication at least ten (10) days prior to each such hearing in a newspaper of general circulation in the City, designated for that purpose by the City Council.

SECTION 19:395 The Commission shall cause a similar notice, or notices, to be conspicuously posted upon the property proposed to be changed at least ten (10) days prior to the date of the hearings. Such notices shall be printed with headings reading, "NOTICE OF HEARING RE-ZONING," in letters not less than one inch in height.

SECTION 19:396 In connection with a hearing concerning only the amending, supplementing or changing of the text of this Ordinance, the published notice of public hearing, as provided in Section 19:394 of this Ordinance shall suffice.

SECTION 19:397 Decision by Commission and City Council: If, from the facts presented, the Commission finds that public necessity, convenience, general welfare or good zoning practice require the change or reclassification involved or any portion thereof, the Commission may recommend such change to the City Council, and otherwise it shall deny the application. The Commission shall make its findings and determination in writing within sixty (60) days from the date of filing of any application and shall forthwith transmit a copy thereof to the applicant. If the application is approved, the Commission shall forward its findings and recommendations to the City Council. The City Council, after the Commission has conducted a public hearing thereon, with published notice thereof, as provided in Sections 19:393 to 19:397 inclusive, of this ordinance may by ordinance effect such amendment, supplement, change or reclassification or any portion thereof.

SECTION 19:398 Appeal: Any person aggrieved by any decision of the Planning Commission made under the provisions of this Ordinance may, within ten (10) days from the date of such decision appeal to the City Council by written notice of appeal filed in duplicate and shall set forth specifically wherein the Commission's findings and decision were in error. Upon hearing the appeal, the City Council shall consider the record and such additional evidence as may be offered and may affirm, modify or reverse, in whole or in part, the order, requirement, decision, determination, interpretation or ruling appealed from, or make and substitute such other additional decision or determination as it may find warranted under the provisions of this ordinance. The standards herein established to govern the discretion of the Commission shall apply with equal force to the actions of the Council.

SECTION 19:398 a Decision by Resolution: The decision of the City Council upon the appeal shall be expressedby resolution in writing concurred in by at least four-fifths (4/5) of all the members of the Council, and the Council shall forthwith transmit a copy thereof to the original applicant, the appelant and the Commission. If the decision be adverse to that of the Commission on any action concerning the administration or enforcement of any of the provisions of this ordinance, the resolution of the Council shall specify wherein there was an error or abuse of discretion on the part of the Commission. No determination of the Commission granting or denying a Conditional Use Permit, a Variance or a Change of Classification shall be reversed or modified by the Council unless the Council shall include in its decision a finding of fact showing wherein the Commission erred in its decision. The procedure of the City Council in effecting a change or reclassification of property initiated by resolution of intention, rather than by application of property owners, or for an amendment or supplement to the text which has been disapproved or partially disapproved by the Commission, shall be the same as that outlined above in this subsection for the granting of an appealed application.

SECTION 19:399 Changes Incident to Subdivision: The City Council shall have authority to make changes without holding a public hearing where, in the subdivision of an area, it is found by the Commission that the districts, as shown on the zoning map, do not conform with the best subdivision and use of the land. In such instances, the City Council may, upon the recommendation of the Commission, authorize within the boundaries of the area being subdivided, the appropriate adjustment of district boundaries or the reclassification of the area into a more restricted district. Such recommendations of the Commission to the City Council shall be made only after receipt of a written request by the owner of the area being subdivided, but no public hearing or filing fee shall be required by the Commission.

CHAPTER THREE PART THREE ENFORCEMENT AND PENALTY

SECTION 19:400 It shall be the duty of the City Building Inspector or such other person as the City Council may designate to enforce this Ordinance. All departments, officials and public employees of the City of Campbell vested with the duty or authority to issue permits shall conform to the provisions of this Ordinance and shall issue no permit or license for uses, buildings, or purposes in conflict with the provisions of this Ordinance; and any such permit or any business license issued in conflict with the provisions of this Ordinance shall be null and void.

SECTION 19:401 Any person violating any provision of this ordinance shall, upon conviction, be punished by a fine not to exceed the sum of FIVE HUNDRED DOLLARS ($500.00) or by imprisonment in the County Jail not to exceed six (6) months, or by both such fine and imprisonment. Each day that a violation of this ordinance continues shall be considered a separate offense.

Any use of a premises or a building which deviates from or violates any of the provisions of this ordinance shall be termed an illegal occupancy and the person or persons responsible therefor, shall be subject to the penalties herein provided.

CHAPTER THREE PART FOUR VALIDITY

SECTION 19:402 If any section, par,agraph, subdivision clause, sentence or provision of this ordinance shall be judged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, invalidate or nullify the remainder of this ordinance by the effect thereof shall be confined to the section, paragraph, subdivision, clause, sentence or provision immediately involved in the controversy in which such judgment or decree shall be rendered.

SECTION 19:403 REPEAL

Ordinance No. 2 of the City of Campbell and all amendments thereto, and all other ordinances or parts thereof in conflict with this ordinance are hereby repealed.

Passed and adopted this 16th day of November 1953, by the following vote:

AYES: Councilmen: Arends, Gomes, Jensen, Morton
NOES: Councilmen: Dahl
ABSENT: Councilmen: None

Approved:
RICHARD W. MORTON
Mayor

Attest:
DOROTHY TREVETHAN
City Clerk.

ZONING MAP OF THE CITY OF CAMPBELL

ORIGINAL DE

LETTERS TO THE EDITOR

Opinions expressed in this department do not necessarily reflect the editorial policy of this newspaper.

Nov. 5,1953

Letter to the Editor:

Ten new Democratic Clubs have been organized throughout the 10th Congressional District which includes the counties of Santa Clara, San Benito and Santa Cruz.

As one of their prime objectives, the Santa Clara County Democratic Council has launched a series of surveys by means of which the current opinion of voters as to the performance of the present administration are obtained. This work is entirely voluntary and growing in the number of interviews. Thousands of citizens have thus far been interviewed by local volunteers from San Jose, Campbell, Los Gatos, Palo Alto and other adjacent communities.

The questions asked by the interviewers may be roughly divided into (a) Local, (b) National and International. Below are some of the sample questions: Do you think that the County Board of Supervisors is doing a good job? Do you think that the water problem in Santa Clara County is acute? serious? fairly serious? of no importance?—Your State Assembly defeated legislation allowing equal job opportunities for all people. Do you think that this was right- wrong? Will the next governor of California be a Democrat( ), a Republican ( )? Have you heard of the pre-primary convention in Santa Clara County giving the Democratic voter greater participation in the selection of candidates? Should a special tax be levied by the county for playgrounds? Do you think that Congressman Gubser is doing a good job( ), fair job ( ), poor job ( )? What improvements would you like to see made in your own community? Are you satisfied with your city officials?

National and International: What political issues do you believe are important today? (Among the several listed are: Foreign Policy? Public Power? Loyalty Oaths? Space was provided for other issues cited by the interviewed citizens themselves) Do you think that the Democratic Party really represents the feeling of the people? Do you think that either political party gives the average voter a break? What kind of a job do you think President Eisenhower is doing (Good?) (Fair?) (Poor?) Do you personally approve of Senator Joseph McCarthy's methods? (yes) (no) (no opinion). Should atomic energy plants, built with tax money, be sold to private corporations? If we negotiate, do you think that free nations and the Communist bloc can work out a way to get along together peaceably? Do you think that the last Congress did a good ( ), fair ( ), poor ( ) job? Do you favor the United Nations? Do you believe that the world will be at peace for some time? Do you believe that voters should take a more active interest in politics and government?

During the past few weeks several more hundred people were interviewed and the results of these surveys are now being tabulated.

SUNNYVALE TO INSTALL PARKING METERS SOON

The council at Sunnyvale has ordered 328 parking meters which are to be installed prior to Christmas. H. K. Hunter, city manager, says they will help the city pay for downtown parking facilities.

One thing is certain: the old time indifference to political, social and economic matters is dead or dying. People everywhere are awakening to the fact that in order to have a fully functioning democracy, every voter must take an active part in politics.

Respectfully yours,
Oscar Waldemar Junek
Los Gatos, Calif.

Santa Clara Man Heads Society For Crippled Children In California

Special to Campbell Press

San Diego—November 23—Robert Seeley, San Jose real estate man, was reelected to the board of directors of the California Society for Crippled Children and Adults at the organization's 1953 annual meeting here today.

Seeley is president of the Crippled Children's Society of Santa Clara County and is well known in county business and civic affairs.

LEGAL NOTICE

CAMBRIAN SCHOOL DISTRICT CONSOLIDATED SPECIAL BOND ELECTION AND SPECIAL APPORTIONMENT AUTHORIZATION ELECTION NOTICE

NOTICE IS HEREBY GIVEN to the qualified electors of the Cambrian School District of Santa Clara County, State of California, that in accordance with the provisions of the Education Code of the State of California governing such elections, a special bond election and a special apportionment authorization election have been called to be held and the same will be held at the places hereinafter designated in said Cambrian School District of Santa Clara County, State of California, on Tuesday, the 15th day of December, 1953, from the hour of 7:00 o'clock A. M. of said day until the hour of 7:00 o'clock P. M. of said day, during which period of time the polls will be kept continuously open, at which time and place there will be submitted to the qualified electors of said Cambrian School District of Santa Clara County the following propositions:

Proposition No. 1

Shall the Cambrian School District of Santa Clara County incur a bonded indebtedness in the sum of Two Hundred Thousand Dollars ($200,000.00) for the purpose of raising money for the following purposes (which are hereby united and shall be voted upon as one single proposition), to-wit:

The purchasing of schools lots.

The building or purchasing of school buildings.

The making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, operation, or repairs.

The repairing, restoring or rebuilding of any school building damaged, injured, or destroyed by fire or other public calamity.

The supplying of school buildings with furniture or necessary apparatus of a permanent nature.

The permanent improvement of the school grounds.

The carrying out of the projects or purposes authorized in Section 18010 of the Education Code: to-wit: Providing sewers and drains adequate to treat and/or dispose of sewage and drainage on or away from each school property.

Proposition No. 2

Shall the governing board of the Cambrian School District of Santa Clara County be authorized to accept and expend an apportionment in an amout not to exceed Six Hundred Thousand Dollars ($600,000.00) from the State of California under and subject to the provisions of Chapter 19 of Division 3 of the Education Code, which amount is subject to repayment as provided by said Chapter?

Said bonds proposed to be issued and sold shall bear interest at a rate of not exceeding five per cent (5%) per annum, which interest shall be payable annually for the first year said bonds are to run and semi-annually thereafter.

The number of years the bonds, or any series thereof, are to run shall not exceed 25 years from the date thereof or the date of such series thereof.

That the special bond election hereby called has been and the same is hereby consolidated with the special apportionment authorization election hereby called within the territory, affected by said consolidation, to-wit, the Cambrian School District of Santa Clara County; that the election precinct, polling place and voting booths shall be the same, and only one form of ballot shall be used thereat which shall be in the form provided by the Board of Trustees of said Cambrian School District of Santa Clara County for use at said consolidated special bond election and special apportionment authorization election on which shall be set forth the propositions hereby submitted to the qualified electors of said school district. That the election officers shall be the same for each election and that said election shall be held in all respects as if there were only one election.

That the polling place hereinafter mentioned is hereby designated and selected by the Board of Trustees of the Cambrian School District of Santa Clara County as the place within said Cambrian School District of Santa Clara County, State of California, where such election must and will be held.

For the purpose of holding said election, the Cambrian School District shall be and is hereby established as the Special Election Precinct, numbered one, and the persons hereinafter named, being competent and qualified electors of said school district, are hereby appointed officers of election as hereinafter designated, to serve in their Special Election Precinct as hereinafter set forth, and said Officers of Election shall conduct said election and make returns thereof pursuant to law.

The voting precinct, polling place, and election officers, duly designated and appointed are as follows:

SPECIAL ELECTION PRECINCT NO. 1.

shall include all those portions of County Election Precincts: Campbell 1; Robertsville 2, 3; Union 1, 5, 7, 9, 10, 11, 12, 17, 19; and Walnut 2, 3, 4, lying within the boundaries of the Cambrian School District of Santa Clara County, California.

POLLING PLACE therein shall be the Cambrian School, 481 East Casey Road, Campbell, California.

OFFICERS OF ELECTION for said Special Election Precinct:

Inspector: Genevieve N. Helmbold
Judge: Evelyn M. Nigl
Judge: Wanda P. Luhring

Each qualified elector of said Cambrian School District shall be entitled to vote only in the Special Election Precinct of which he is a resident.

The governing board of the school district shall meet on the seventh day after the election at its usual meeting place at 8:00 o'clock P. M. and publicly canvass the returns.

The said election is to be held in accordance with the provisions of the Education Code of the State of California, governing said elections.

IN WITNESS WHEREOF, we have hereunto set our hands this 1st day of October, 1953.

FRANK L. STEINDORF
WILLIAM C. SARTORETTE
NORMAN B. HOUGE
Governing Board of Cambrian School District of Santa Clara County, California.

Jobs Daughters Members At Meet

On November 13 and 14, eleven Job's Daughters from Bethel 174 in Campbell attended the convention at Fresno.

Upon their arrival, they boarded chartered buses and visited the Dude Ranch where they were served a chuckwagon dinner.

On Friday evening the girls attended the Junior Banquet at the Rainbow Hall. Then they were taken to the Fresno Memorial Auditorium in Taxis where they witnessed the Informal Opening of the Grand Bethel Session.

On Saturday afternoon the girls witnessed a program consisting of exhibition drill teams from the different Bethels in California, a tumbling team, songs and dances.

There were over a thousand Job's Daughters attending the convention.

The girls from Bethel 174 who attended were Starlene Petrea, Dolores Whitehead, Diane Williams, Marilyn Lackey, Kathy Hartman, Lynnie Titus, Betty Buehner, Marceline Dale, Heather Howard, Jo Ann Strong and Nancy Titus.

VFW Auxiliary Accepts Two New Attend Confab

Campbell Post 6305, VFW Auxiliary, accepted two new members into the organization following inspection by Stella Disbrow, twelfth district commander at their last meeting.

New members of the auxiliary are Juanita Freitas and Isabella McGowan.

Among the visitors were Mrs. Elsie Cushman, Mrs. Herminia Chevalier from the Vic Handdrikin Post of Los Gatos, and Mrs. Alice Keyes, Mrs. Seline Bayard, Mrs. Ada Yokey and Mrs. Caroline Peabody from Major Zane Post of San Jose.

Also from the San Jose Post were Ed Seacord, past departmental commander; Lyle Green, commander from Major Zane Post; and Ralph Jones, 12th district commander.

Spokesmen from the Campbell Post Auxiliary said that the Chatter Club will meet at the home of Esther Sargeant, on Casey Road, for a potluck luncheon and stitching.

TOMMY BLACKMUN HOME ON LEAVE

Tommy Blackmun, 24-year old son of Mr. and Mrs. E. W. Blackmun of 460 Harriet Avenue, is home on a 30-day leave from his U. S. Navy duties, and is working at his Campbell Floral Shop on Campbell avenue.

He says he will be discharged from the Navy December 16, from the Naval Training Center at Treasure Island, San Francisco. His leave will be up December second.

Blackmun, a naval reserve, was called into the service 21 months ago and served in Naval communications on Guam, largest island in the Marianna group. He said he intends to return after his discharge to continue business at the Campbell Floral Shop.

Cambrian District Operates Popular Teen-Age Group

At an organizational meeting recently in the John Parker Elementary School, Laurance J. Hill, Campbell Union High School District Superintendent, and other school and social leaders on the Cambrian Park area, met to further plans for the coming $2,500,000 Cambrian High School bond election scheduled for December 1.

Cambrian and Cross-Union areas were organized into six districts within which workers will distribute informational pamphlets and arrange for car pools, baby sitting, and other services to insure a record turnout on election day.

Unless the bond issue carries, the high school is expected to have to hold triple sessions for lack of additional needed facilities for the anticipated tripling of enrollment within the next few years.

Passage of the bond issue would enable the school district to retain its tax rate among the lowest in the county and would make possible estimated tax of $3.60 a year for owners of $12,000 homes, to finance the contemplated new school at Union and Camden Avenues, according to school officials.

The improvement association is headed by Mrs. George Miskulin, and is composed of Mrs. Don Leonard, Ray Lubeck, Mrs. W. E. Loder, Mrs. Carl Ambrosini, George Vreeland, Mrs. C. J. Psohl, Mrs. Robert J. Jensen, Mrs. Edward Shaw, Mrs. Rulan Bigelow, and Mrs. Maxine Baker.

When we came West, we found out...
Gas and electricity are cheap in California
says Mrs. John C. Jones, of Menlo Park, shown with her daughter, Linda
How P.G. and E.'s low rates save the Joneses money
The Joneses' P.G. and E. bill for a recent month was $12.39
In their former home the same amount of gas and electricity would cost $23.24

"I wonder if most Californians actually realize how little they pay for gas and electricity," asks Mrs. Jones. "When we moved West six years ago, we found these services cost far less here than where we used to live."

How many things can *you* think of that are still available at prewar prices? Yet P. G. and E.'s combined rates are actually *lower* now than in 1938. So let low-cost gas and electricity do more of *your* work, make your life more pleasant.

P·G·and·E
PACIFIC GAS AND ELECTRIC COMPANY

...and heaven (well, almost) for parents who travel with children.

Children love to ride on S. P. trains because it's fun. And parents like to travel on S. P. because they can relax and enjoy themselves—thanks to the special children's services we provide.

For instance: If baby's bottle needs warming, your Pullman porter or Coffee Shop steward will cheerfully get it done. And for the junior gourmet, we have a wonderful Children's Menu with specially prepared meals and moppet-sized servings. Mom and Dad can share their regular meals with their children, too—we'll gladly furnish extra plates and silverware.

On most of our trains, little fellows under 5 ride free. Older little people, from 5 through 11, ride for half fare when accompanied by a grown-up. (On a few of our trains, there is a small reserved seat charge that applies to anyone big enough to occupy a seat.)

Meantime, we've been thinking about *your* comfort, too. Chair Cars on Southern Pacific's streamliners were built with just that in mind. No-glare fluorescent lighting. Soft-as-a-cloud foam-rubber seats. Lots of leg room and move-around room. Extra large windows. Feather-touch doors. Spacious washrooms.

We baby your freight, too—
And S. P.'s gentle freight handling doesn't cost much, either. On an average, we move a ton of things for only 1.45 cents a mile. We have more miles of line serving more Western cities and towns than any other railroad. So, for fast, efficient and dependable freight service—whether carloads or l. c. l.—call our nearest agent.
